Billie's hot hols!

Essex's loss is Dubai's gain!

IT DOES seem something of a head-scratcher that with temperatures in Essex hitting 18C and with glorious sunshine dished out for all, *TOWIE*'s Billie Faiers would be hotfooting it over to Dubai. But as she slipped into a tiny bikini for these shots, it seems a bit churlish to complain. And with all due respect to your Southends, Clactons and Frintons, the foamy wash of a Dubai beach is a slightly more salubrious holiday venue. Although quite where you're supposed to get eels, liquor and a 99 Flake in the middle of the United Arab Emirates is anybody's guess.

A quick word with Ricky Gervais

Ricky on his penis, Karl, Karl's penis, God, God's penis and his new TV show!

Hi Ricky! At one point in your new show *Derek*, you run through a room stark naked with your bits pixelated out. Did you actually film this, ahem, "tackle out"?
No. I was wearing little pink pants. If I was naked, it would be difficult to pixelate because I'd be swinging like a kangaroo. It's all trickery. "Art is the lie that helps us understand the truth," said Picasso. And he was known for his massive knob!

Your character Derek isn't very bright. Are you worried about the backlash of portraying a character with learning difficulties?
Yeah. I'd be confused if there wasn't a backlash. Every week has been the end of my career, for 20 years. It started with a backlash! But I've never thought of Derek as disabled. He's cleverer than Baldrick [from *Blackadder*]. He's cleverer than Father Dougal [from *Father Ted*]. He hasn't got a big a problem as Mr f**king Bean. Derek is a sweet character. He's selfless and unpretentious. He has to be to work in an old people's home. No one cares about old people in this country. There's an arrogance of youth. "Ha-ha, you're old." How can anyone say that? That's one thing that's definitely going to happen to you. He's protected in the safe haven of an old people's home; it's a fortress against an uncaring world.

Did you find it hard playing a sensitive character like Derek rather than a complete berk like David Brent in *The Office*?
There's nothing more fun than playing a deluded character. Everyone knows someone like David Brent. There are still three David Brents in every series of *The Apprentice*. *Derek* is a comedy drama but life is a comedy drama. You try to have a laugh then you find a lump. It's how you deal with it. I've snuck in drama before. David Brent cried in *The Office*. Andy Millman cried in *Extras*. I've never been scared of emotions. The difference with Derek is that there's no irony. Derek is honest and kind. He's better than most of us.

Would you like to do more serious acting then?
Imagine me playing a hard-drinking cop who loses his badge and now he's got to get his wife back. "Look! It's the bloke from *The Office*." I've often said to directors who've cast me, "You can find someone better than me." They've looked at me like I'm mad. I think I could play demented and weird. I'd like to play a psychotic serial killer. *Dexter* would be good. Shakespeare would terrify me!

How did you persuade your chum Karl Pilkington to take on his first acting role in *Derek*?
I try lots of things, I see what he reacts to, then I work on that. This time I said, "Surely it's a challenge?" I knew if he did what I said, it'd be great. His part was written for him and some of the things I've written for him to say, he could well say. Not that you could predict anything he'd say. In an interview he famously said he'd donate his organs, but not his eyes because he'd hate to be a blind ghost. This came up. I said, "Would you donate your penis?" He said, "No." I said, "Why not?" He said, "I don't want anyone fiddling with that." Turns out he'd donate his testicles now! He said, "I don't need them. They get in the way. I'm not going to have kids. Someone else may as well use them." So I said, "You'd lose the testicles?" He said, "I'd still have the knob."

Would you ever write Karl into a lead role of his own?
I don't know. If it was about a little bald Manc tw*t who said stupid f**king things, I think he'd stand a hell of a chance. He's finally signed the contract for *A Short Way Round* which is him cycling around the world with a dwarf in a basket. When I told him the idea, he didn't say, "That's ridiculous." He said, "So I'm doing all the f**king pedalling?" He signed the contract this week so he can't back out now – he's in too deep!

So after *Derek*, what's next?
I'm trying to get a new tour together, and I'm working on a new show about an atheist who goes to heaven. He's not so smug. Originally, I was going to create the show and take a step back from it. Now I've got a part in it and I've bigged my part up. I play God. It's a stretch.

You made God's part bigger?
Is that an innuendo? He must have a huge one. Ha!

Do you think Derek would believe in God?
I think he does. He likes Jesus. He thinks Jesus is cool because Jesus is kind. He doesn't see any problems. [Does impression] "My favourite is Jesus and Robbie Williams, because they're both kind to beggars." I'm riffing.

● *Derek* is on Channel 4 Thursday 12 April, 10pm

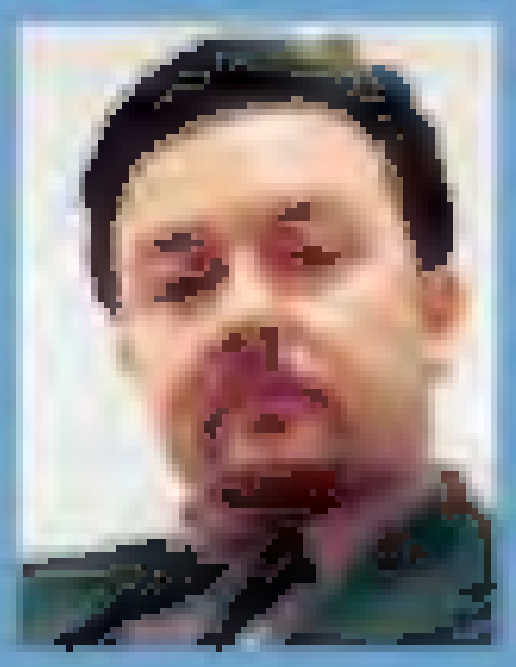
“I’d be confused if there wasn’t a backlash!”

“And here’s my impersonation of a shot-putter”

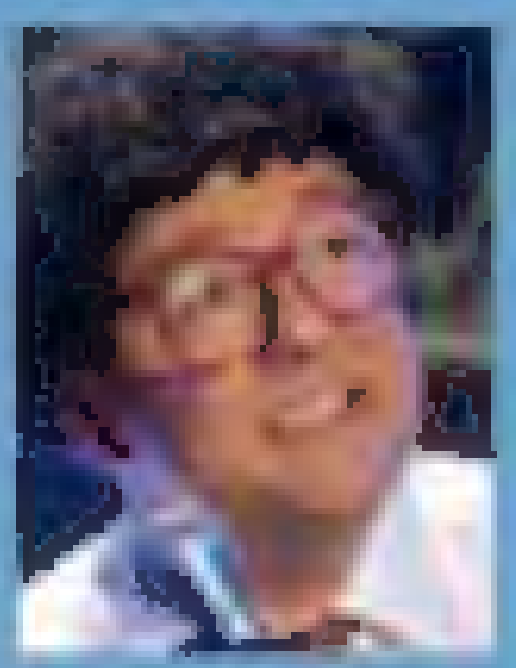
The many faces of Gervais...

BRENT



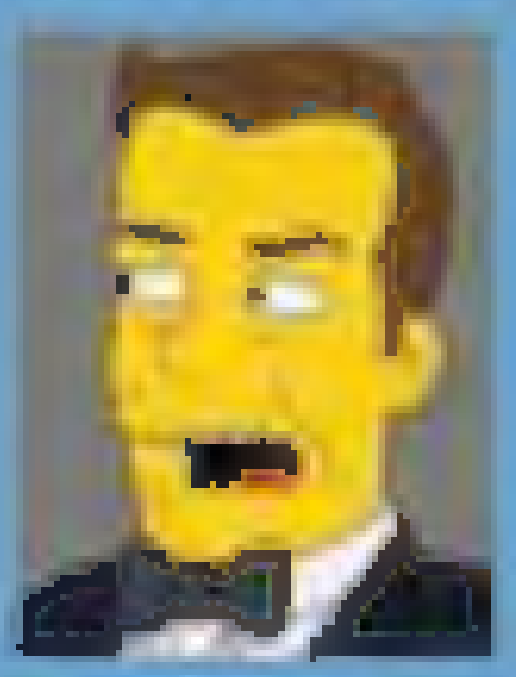
“I’m a friend first, boss second. Probably entertainer third.” So said David Brent in *The Office* – the show that shot Gervais to fame.
Smug factor: 2

MILLMAN



In *Extras*, Gervais introduced us to out-of-work actor Andy Millman. But the real stars were the numerous celebs sending themselves up.
Smug factor: 3

CHARLES



The Yanks love Ricky, and he was invited to script and star in an episode of *The Simpsons* as a yellow version of Brent.

“GERVAIS”

Life’s Too Short pretty much followed the lazy formula of cruel jokes + documentary style x celeb cameos = Gervais sitcom.

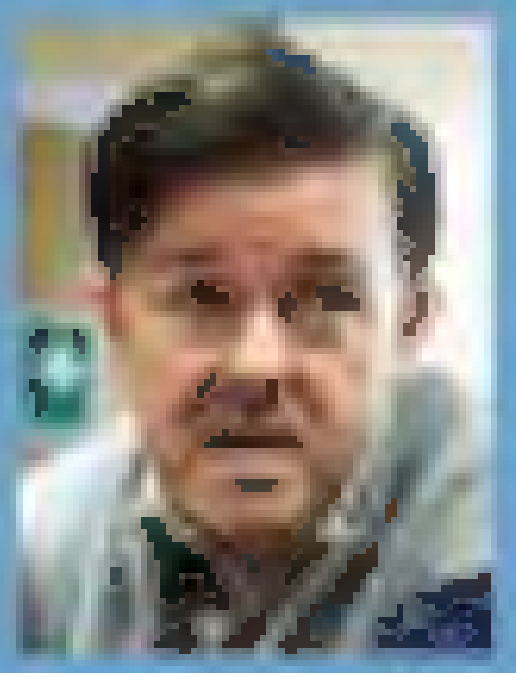
NOAKES



The new show *Derek* might have the look of *The Office*, but the jokes are much gentler – much like Derek himself. There’s not a whiff of Ricky in him.

Elephant goes mental!

Furious Nellie takes out a pack of hyenas!

IF YOU were ever in any doubt that elephants are the Terminators of the jungle, just look at this shot from the Linyanti bush, Botswana. A young calf had been separated from its mother and set upon by a pack of about 18 hyenas. Hearing its cries, mum went postal, crashing in like a tusky, muscular avalanche.

"The mother ran towards the hyenas with such force, trees were uprooted like matchsticks," explained tour guide James Weis. "Had a hyena got in the way of the mother, it would have been flung through the air like a beanbag!"

The baby elephant had its tail bitten off in the attack, but survived. The hyenas have presumably struck elephant from their menu.

WORDS: RORY BUCKERIDGE PHOTOS: BNPS

Hyena facts!

- Although painted as scavengers, hyenas hunt up to 95 per cent of the food they eat.
- A hyena clan has up to 50 members, headed by a female. Male hyenas rank below females.
- The female hyena's genitalia are almost indistinguishable from the male's.
- Their powerful jaws can crack open all but the very largest bones.
- A hyena's heart makes up 10% of its body weight, powering it to speeds up to 30mph.

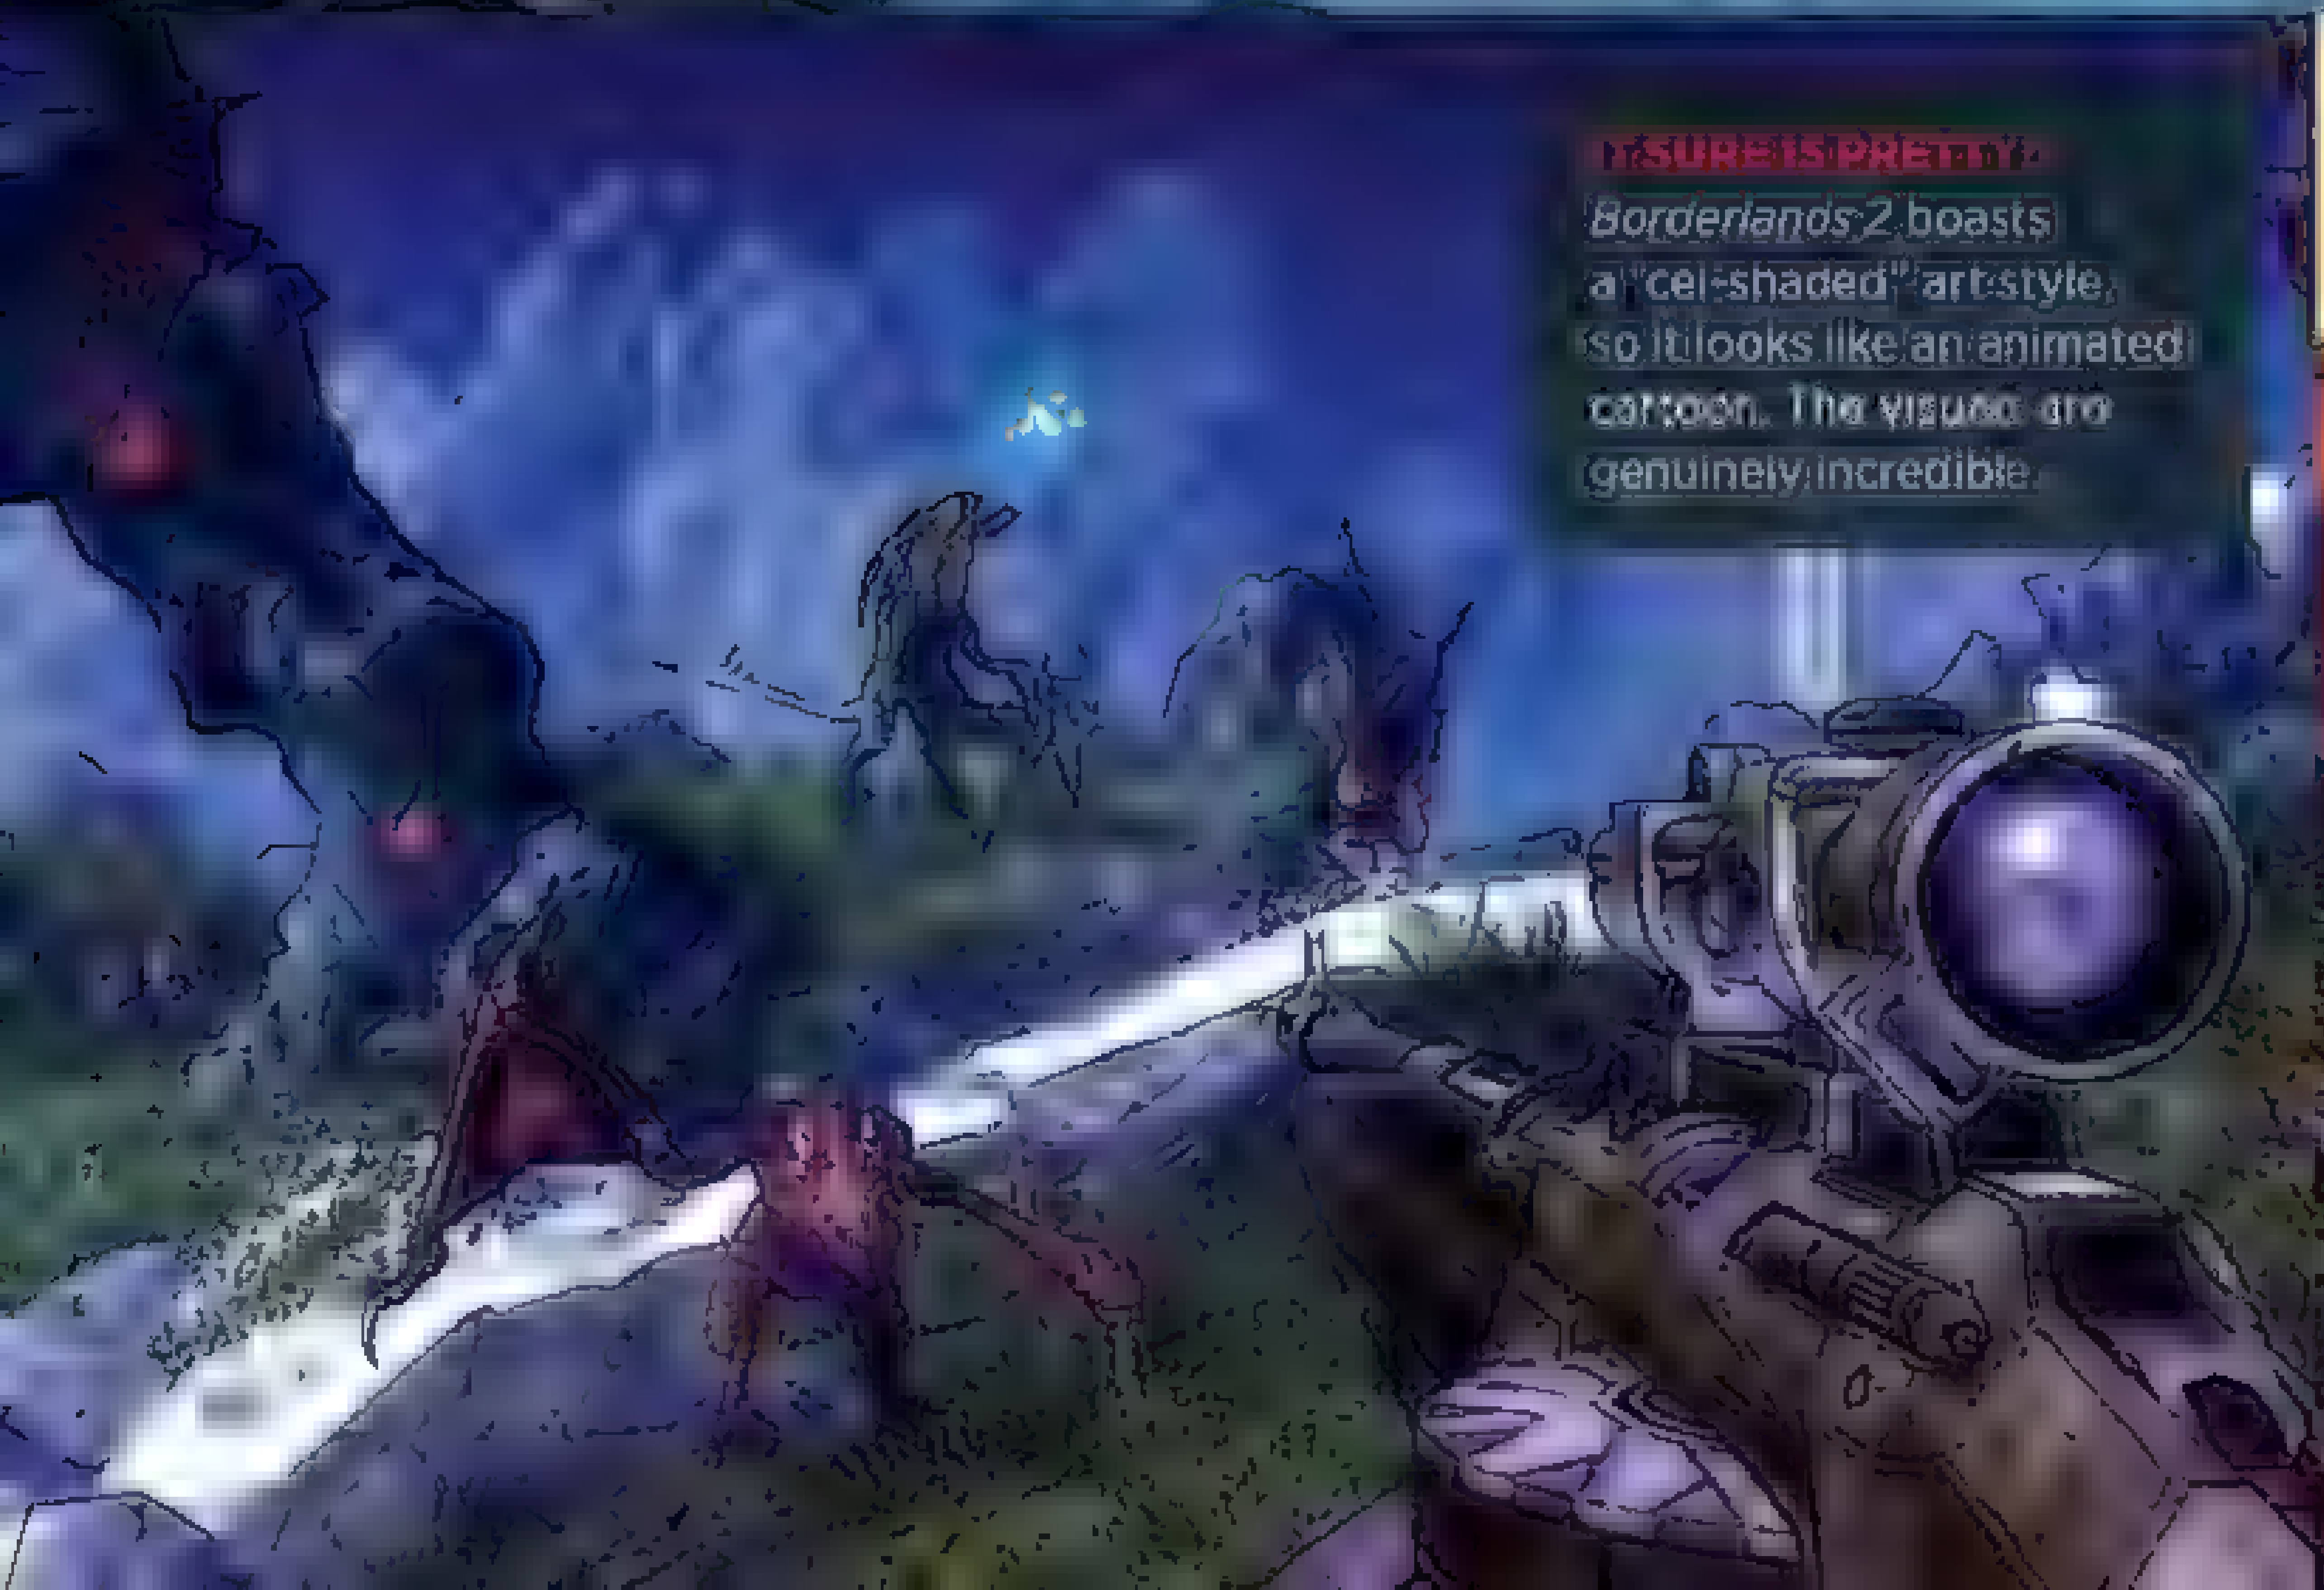
EXCLUSIVE!

Borderlands 2 first play!

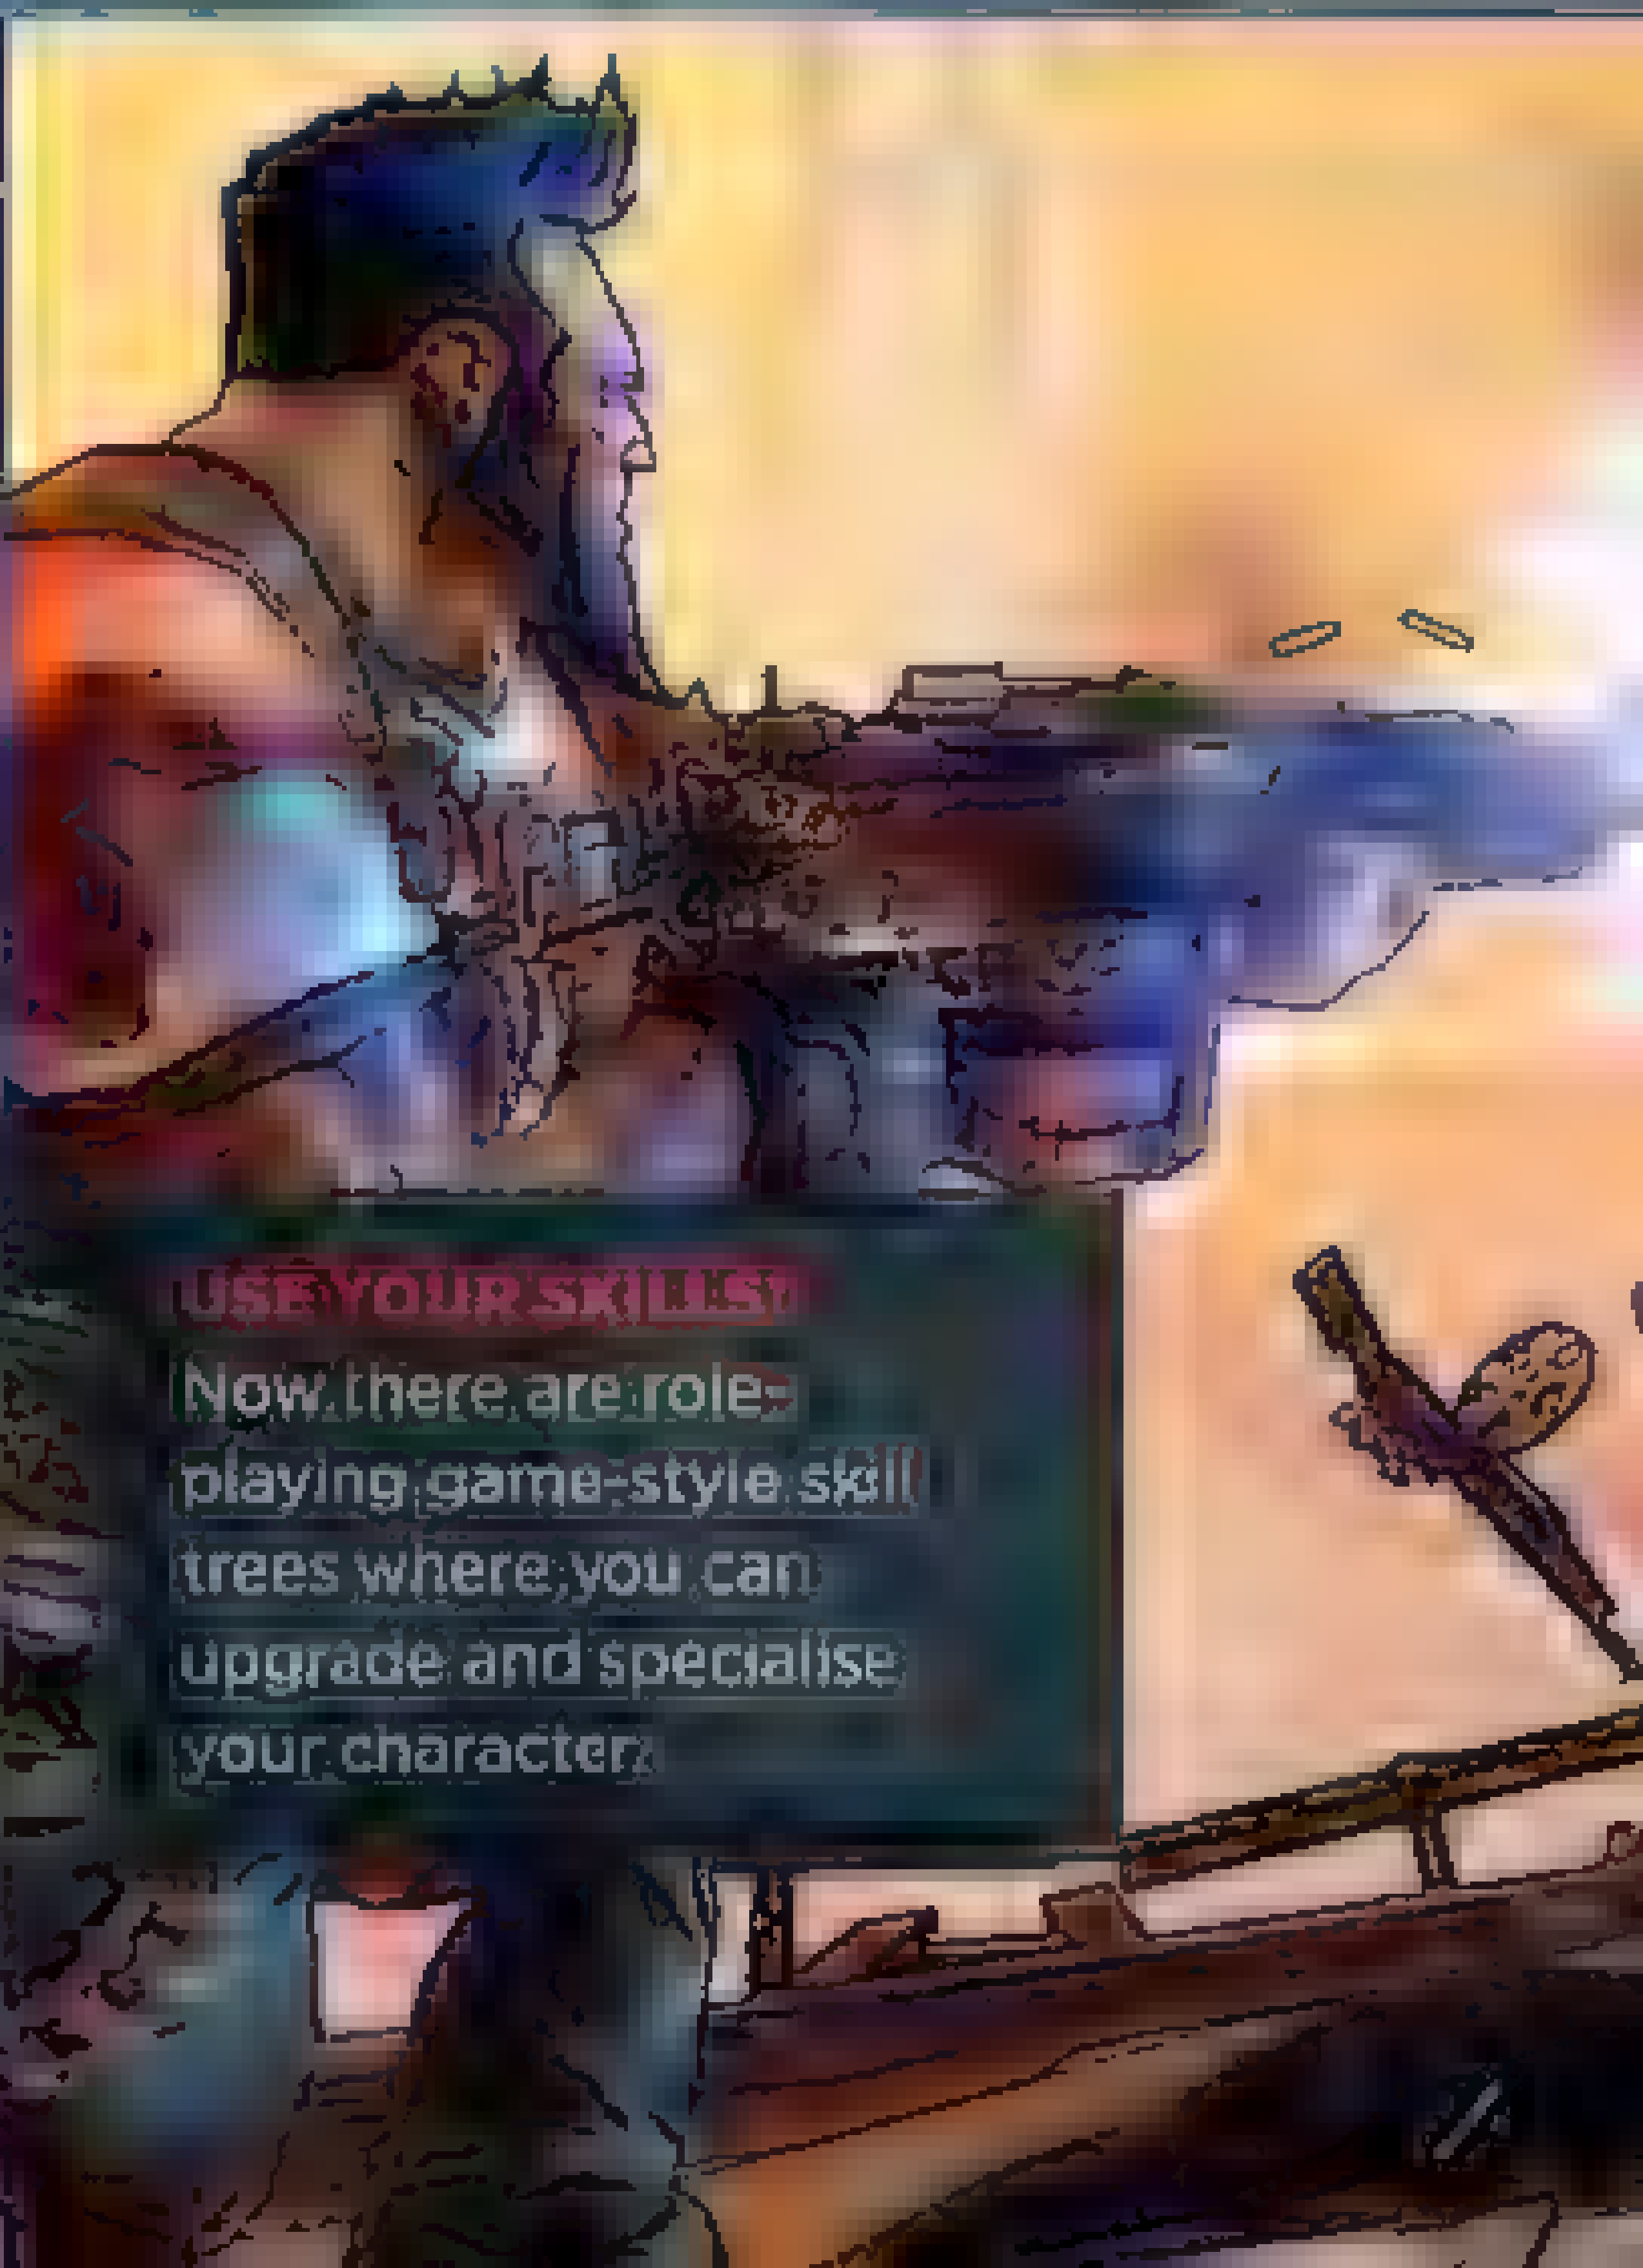
Nuts get a world's first trigger finger on the toony shooter sequel!

BORDERLANDS WAS a card carrying, mutant killing, buggy donuting, hoot of a game. A post-apocalyptic shooter where you plied your trade bounty hunting, buggy racing and entering gladiatorial contests, it was fresh, fun and silly. And it sold nearly five million units, so a sequel was a stick-on.

We were lucky enough to spend a couple of hours on such a thing. Which translated to two hours of clownish grinning. How long have we got to wait for this? Till 18 September. Curses! But in the meantime, here's what we thought...

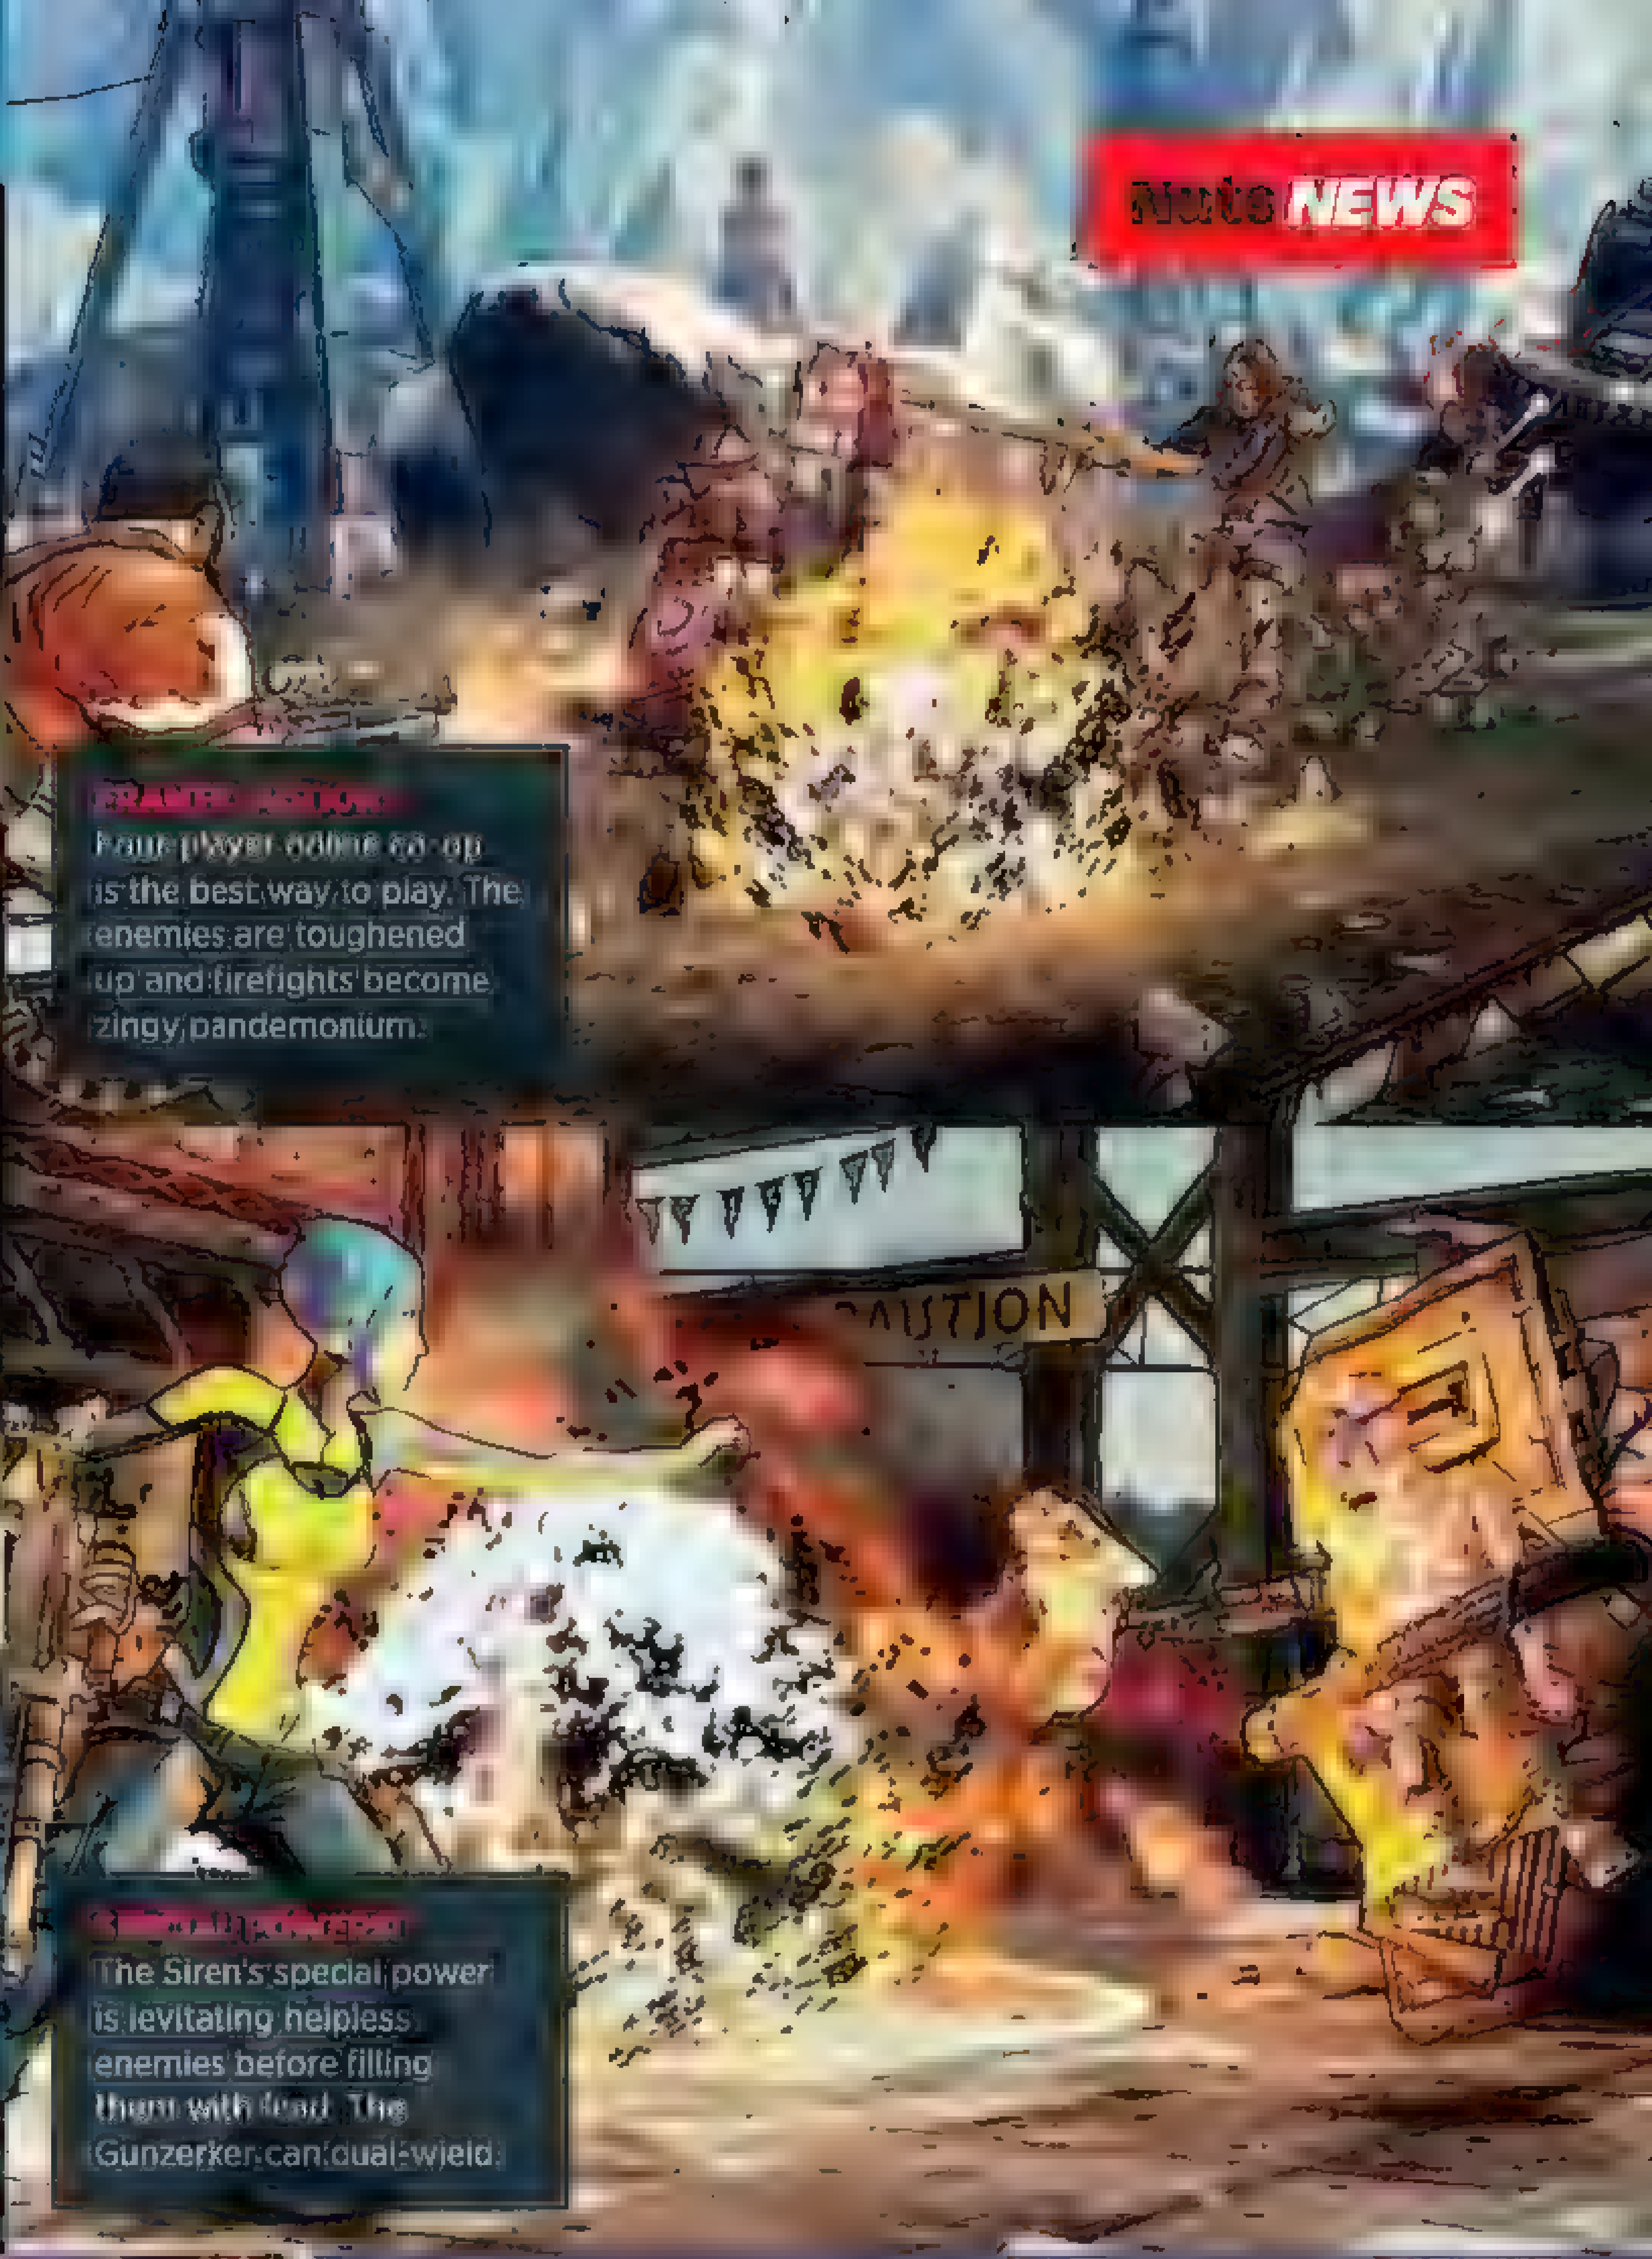


IT SURE IS PRETTY!
Borderlands 2 boasts a "cel-shaded" art style, so it looks like an animated cartoon. The visuals are genuinely incredible.



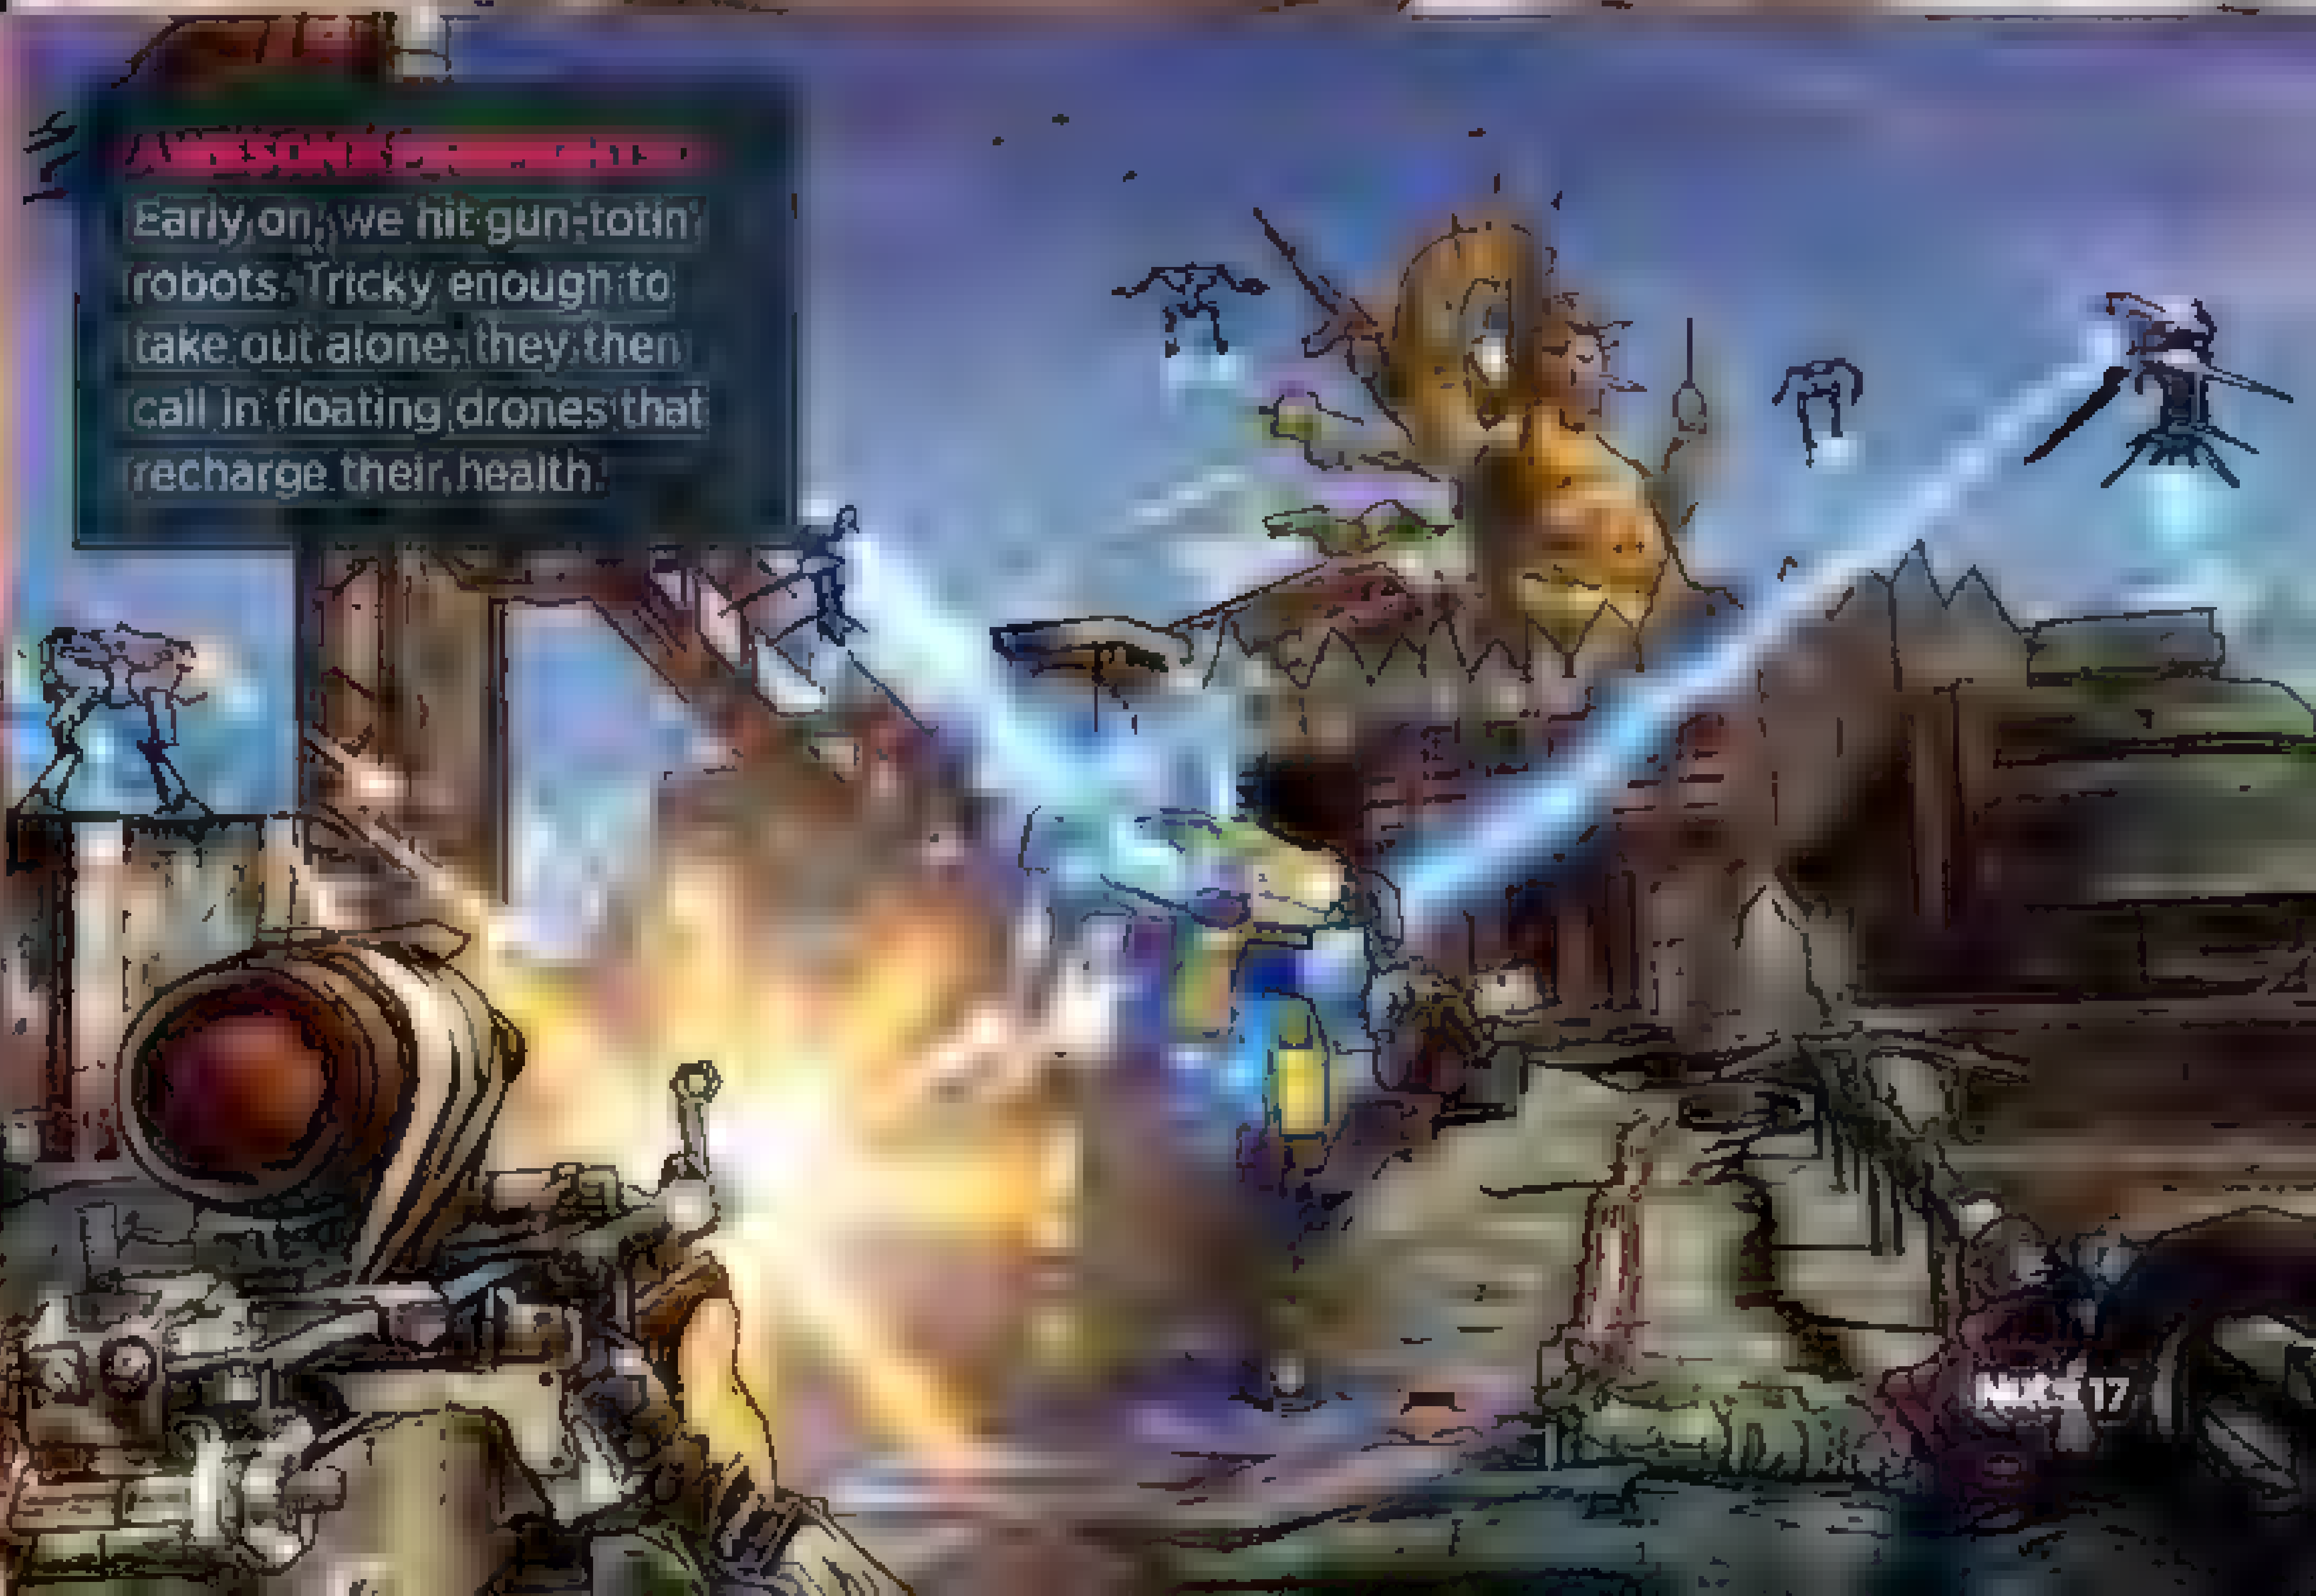
USE YOUR SKILLS!
Now there are role-playing game-style skill trees where you can upgrade and specialise your character.

CHOOSE YOUR CLASS
We played two of the four classes – a huge jock called "Gunzerker" and psychic "Siren". There's also a ninja assassin and a commando.



FRANTIC [illegible]
Four player online co-op is the best way to play. The enemies are toughened up and firefights become zingy pandemonium.

[illegible]
The Siren's special power is levitating helpless enemies before filling them with lead. The Gunzerker can dual-wield.



AWESOME [illegible]
Early on, we hit gun-totin' robots. Tricky enough to take out alone, they then call in floating drones that recharge their health.

"Hmm, well the satnav says we're in Dewsbury ..."

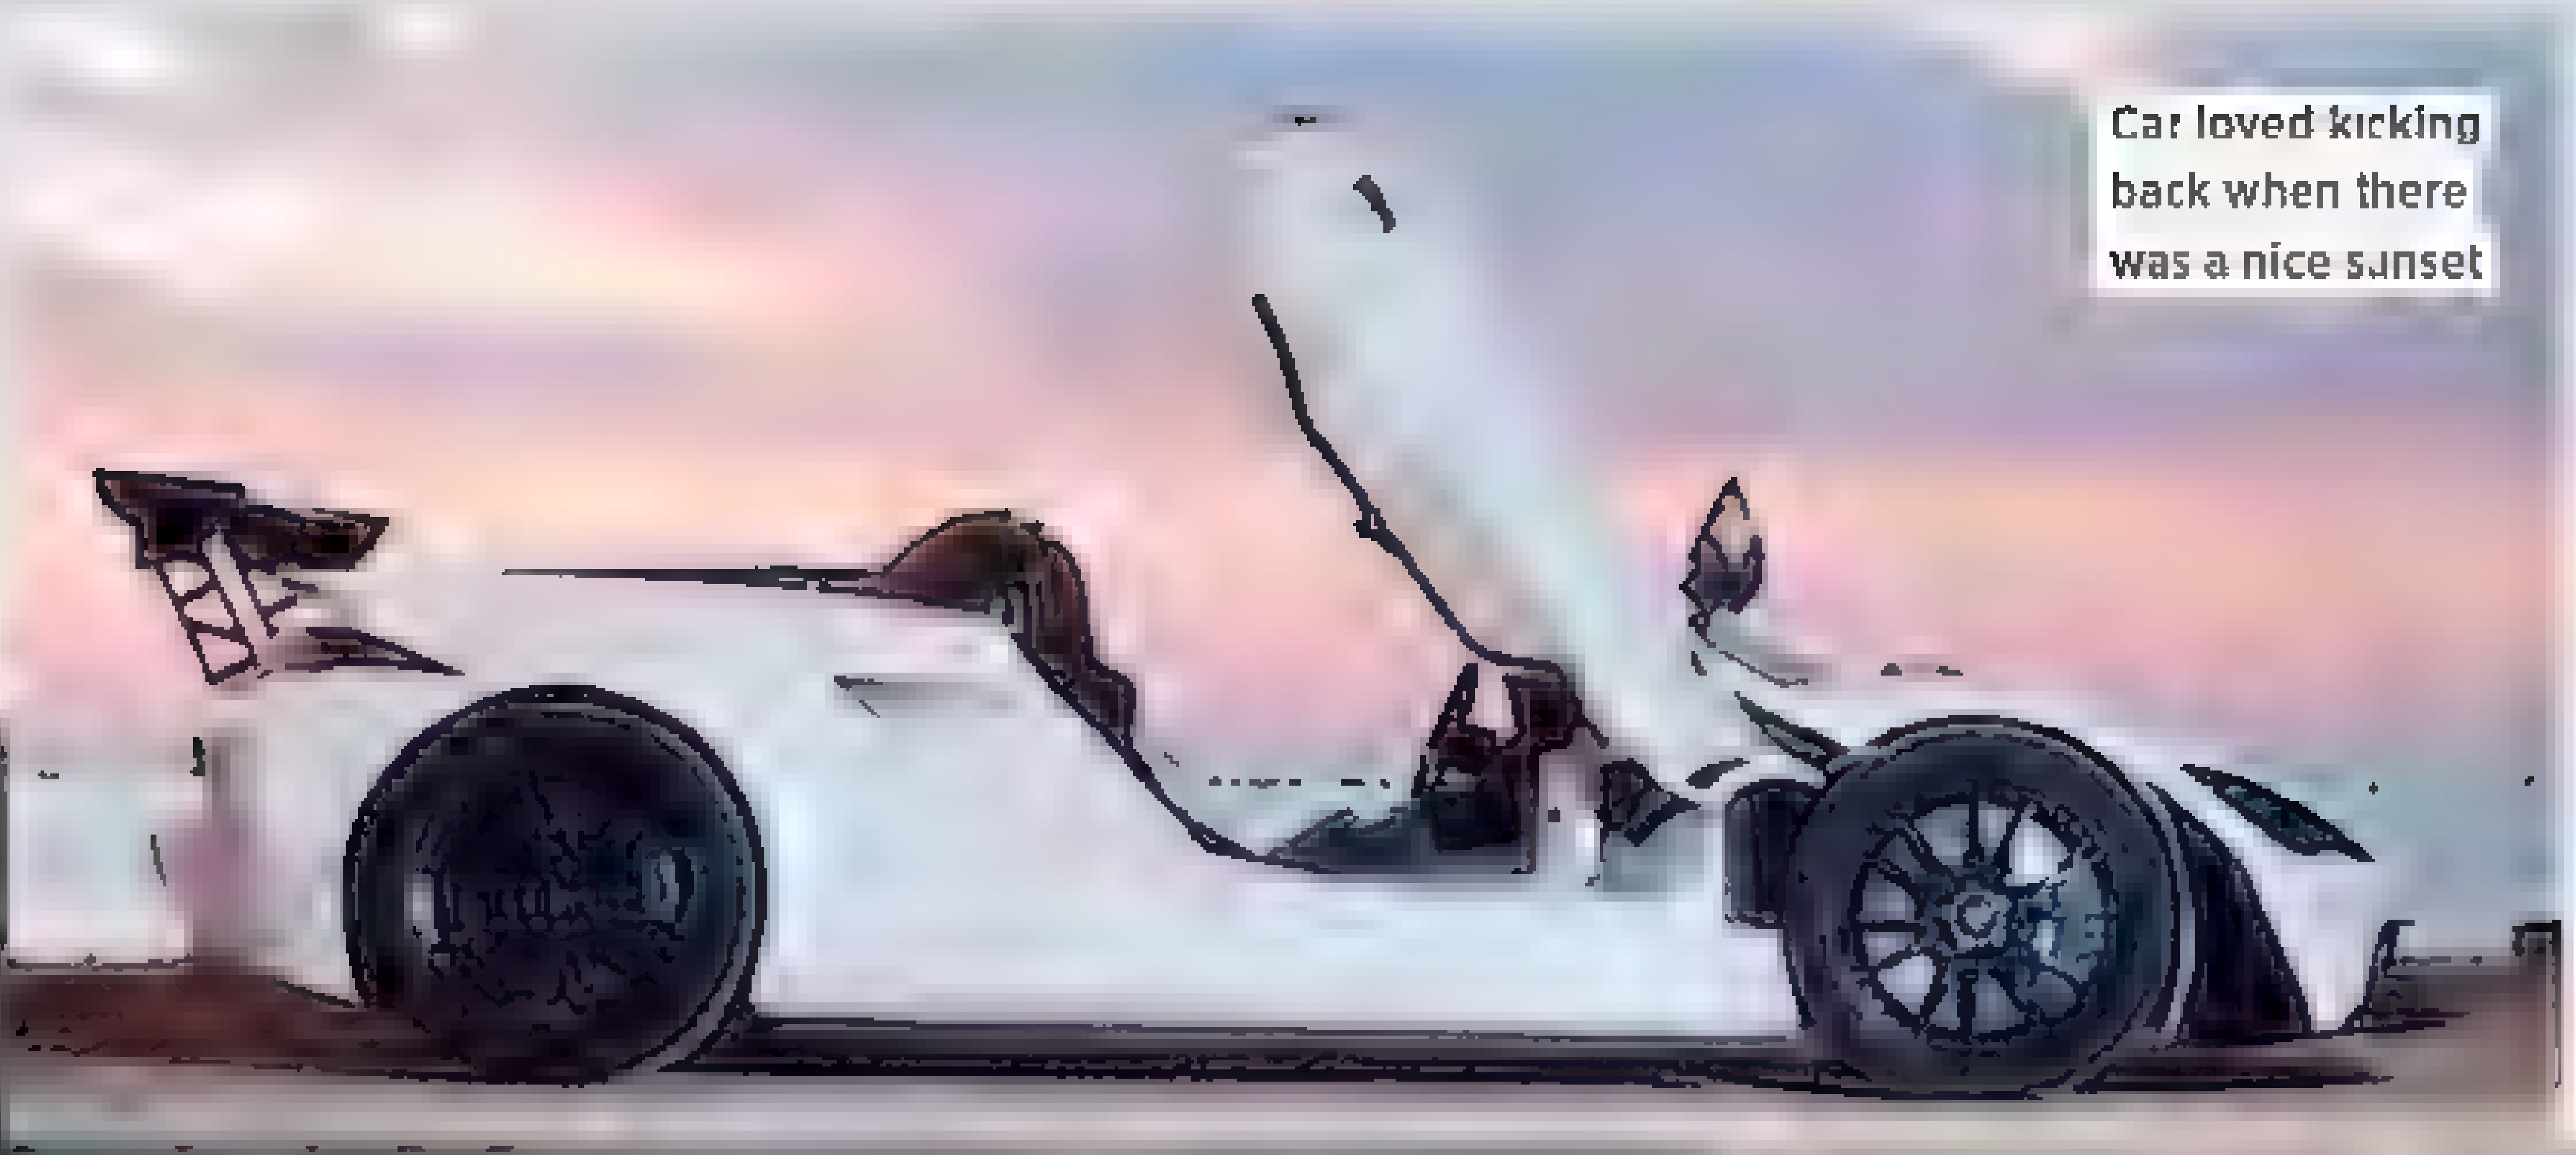
However, the Tushek has a chopped off roof of a pick-up truck and a huge rear wing that stands away from the body. But it really works.

Slovenia isn't known for being world-class at engine-building so Tushek wisely paid a visit to Germany. The 4.2-litre V8 borrowed from Audi's forthcoming supercar-killing estate (the RS4) punches out 444bhp. But when sitting in the Tushek's chrome-tube chassis and wrapped in a carbon fibre body, it's significantly quicker than even Audi's flagship R8. If you compare its vital stats to those of the V8 R8, the



Car loved kicking back when there was a nice sunset

Tushek is more powerful, a second faster to 62mph [illegible] top speed of 199mph – 10mph faster at the top end. [illegible] everything being made from carbon-fibre composites.

The Renovatio's huge gaping mouth, slashed open bonnet, front arches and massive raked rear diffuser do more than hint that this is a track-focused motor. Roll hoops [illegible] the back of the passenger compartment, while the rear lights are tunnelled right into the back panel. The 4.2 V8 [illegible] sculpted back bumper. **But don't dismiss this as a race toy. Beyond the scissor doors you're greeted with sat-nav, air-con, keyless entry, rear view camera and Bluetooth connectivity.** In the words of Tushek, the [illegible]50 experience will be like "an exquisite night with [illegible]". While waiting for a confirmed price tag, we'll just enjoy viewing the impressive styling.

Amazing Chinese art

This page is a Photoshop-free area. Unbelievable but true!

THESE HERE snaps, created by Beijing artist Li Wei, are produced without the aid of naughty picture editing software Photoshop. Although understandably mostly schtum about his techniques, Wei admits he uses props, mirrors, metal wires, scaffolding and, most importantly, acrobats to secure the shots.

Coincidentally, these are techniques we often use to get our cover shoots in the bag. Honestly, Lucy Pinder looks like a lumpen, tarmac-laying Romanian when she shuffles into our studio. And as for Rosie Jones... [Kidding! *Nuts'* irony ed.]

Anchorman 2 confirmed!

Will Ferrell to reprise role as newsreader!

WE'VE JUST been handed an urgent and horrifying news story and we need all of you to stop what you're doing and listen... the long awaited sequel to 2004's *Anchorman* is definitely happening! Will Ferrell donned full Ron Burgundy regalia to make the surprise announcement on US chat show *Conan*. No release dates have been announced but the awesome news is that co-stars Paul Rudd and Steve Carell are expected to be on board, too. This calls for a celebratory round up of the original *Anchorman's* best gags.. scotch, anyone?

Ron Burgundy: "You're so wise. You're like a miniature Buddha covered in hair."

Ron Burgundy: "It's so damn hot... milk was a bad choice."

Ron Burgundy: "I'll have three fingers of Glenlivet, with a little bit of pepper and some cheese."

Brian Fantana: "She gets a special cologne... It's called Sex Panther by Odeon. It's illegal in nine countries. Yep, it's made with bits of real panther, so you know it's good."
Ron Burgundy: "Brian, I'm gonna be honest with you, that smells like pure gasoline."

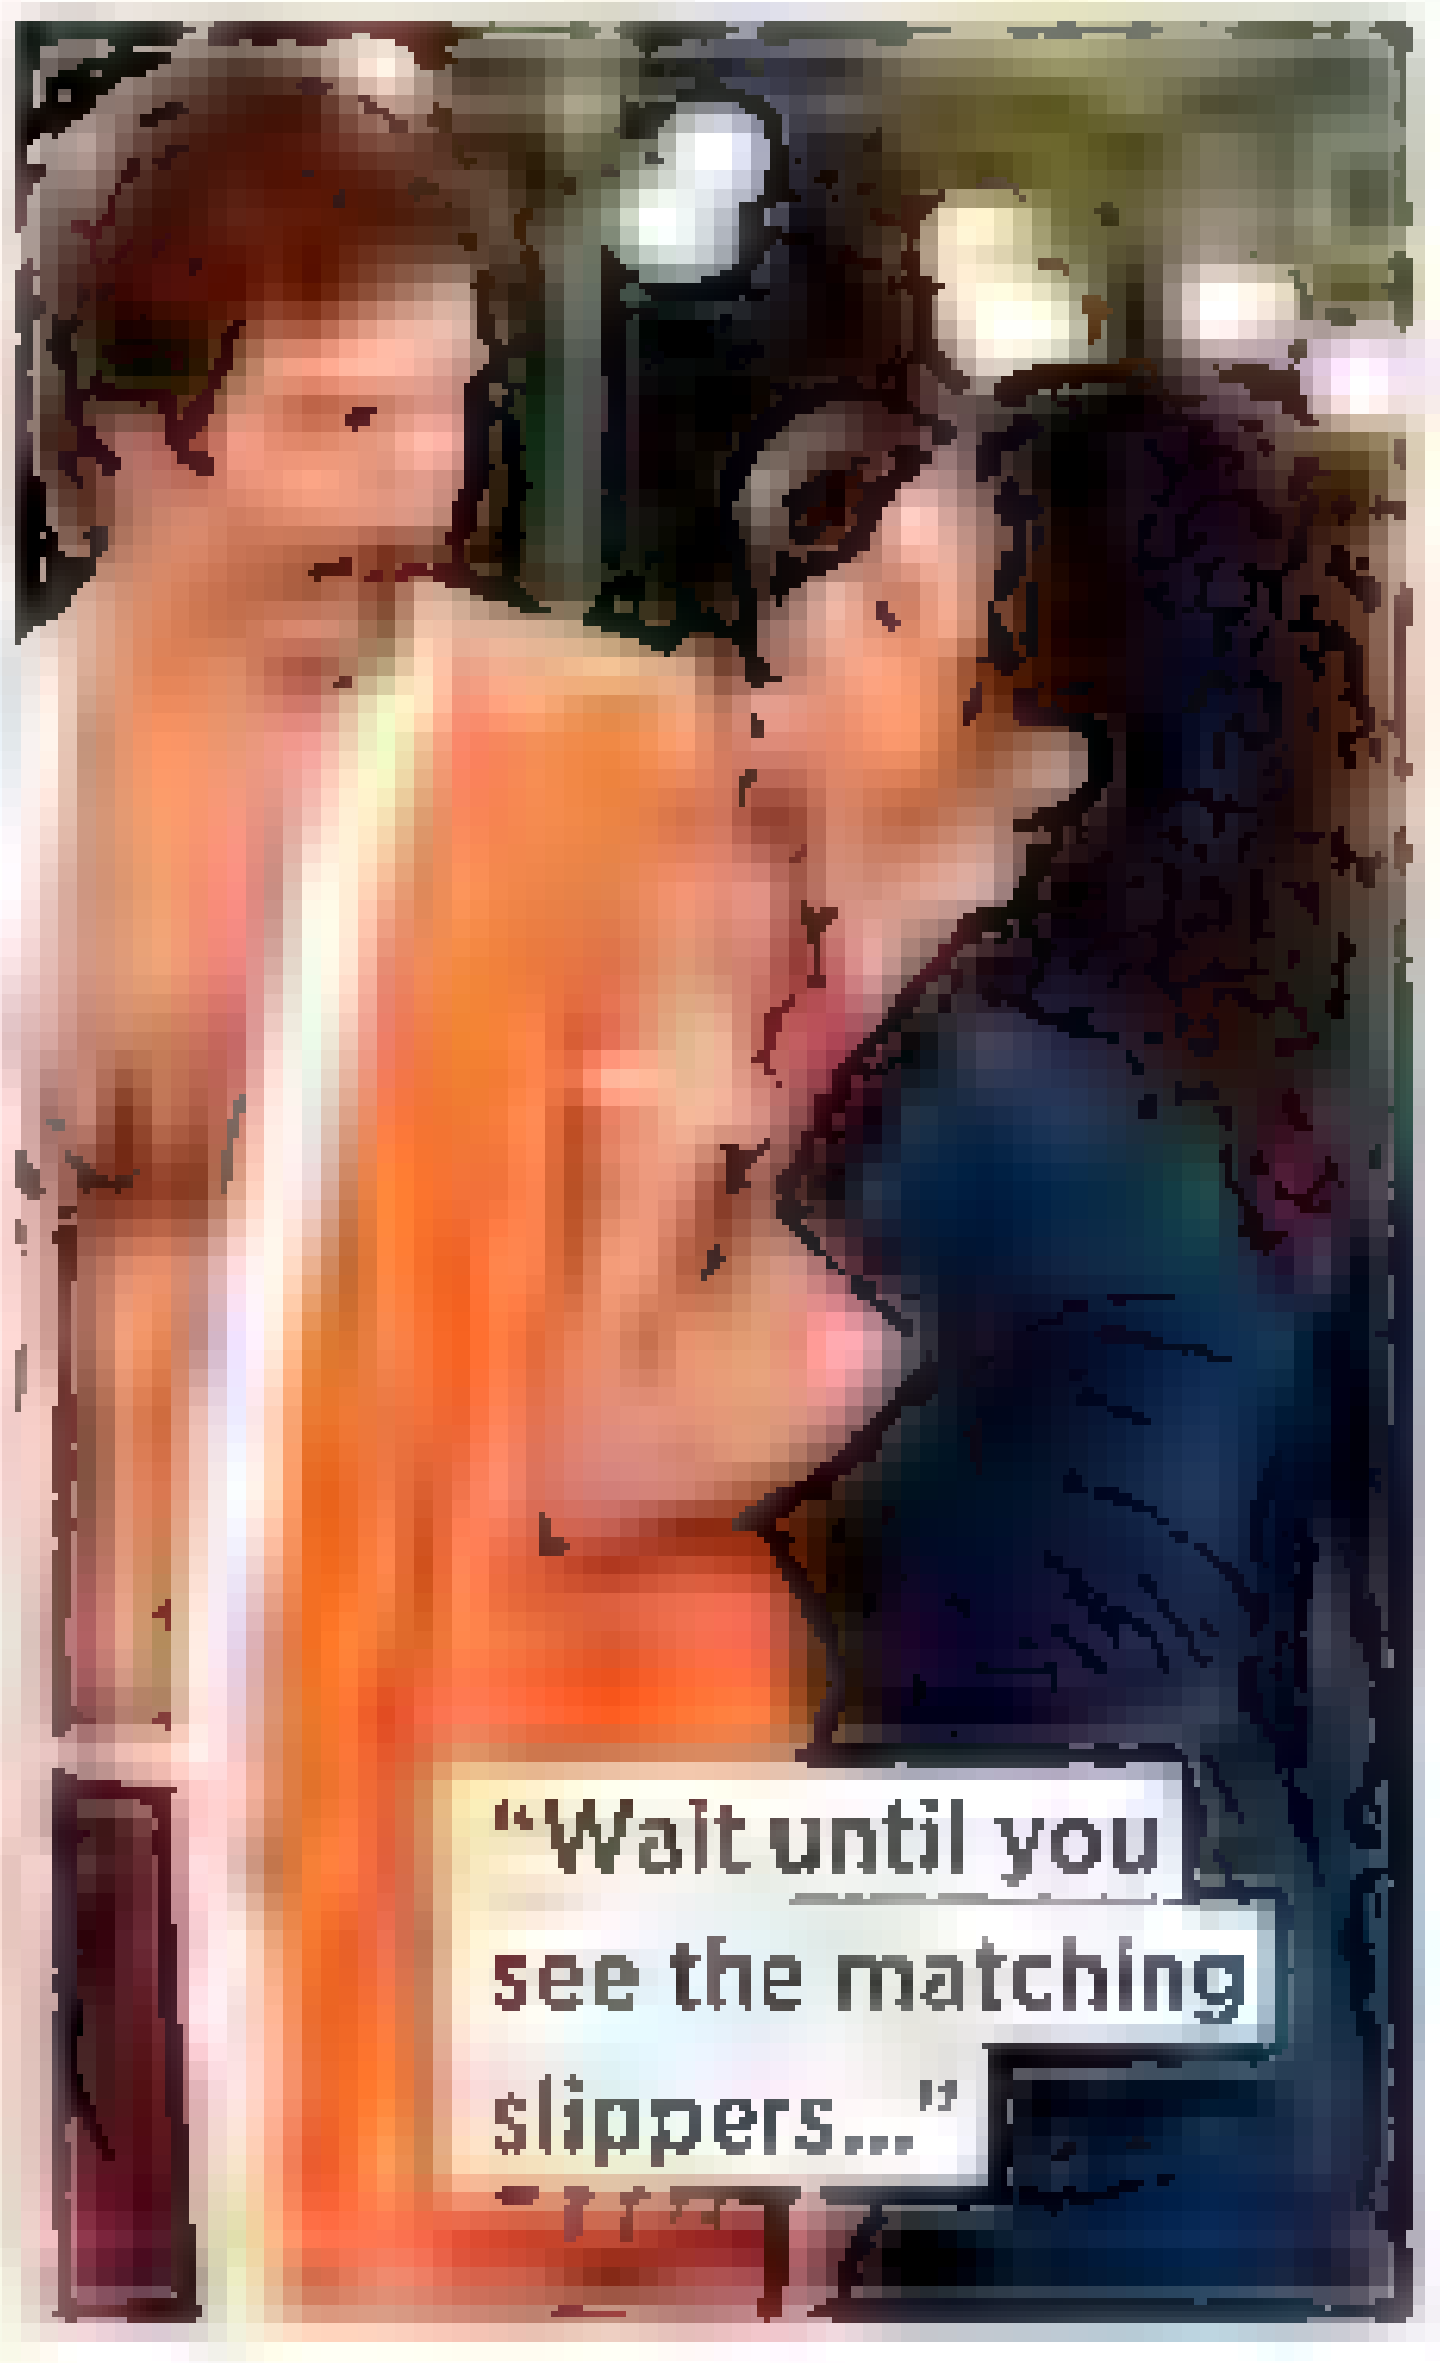
Champ Kind: "We need you. Hell, I need you. I'm a mess without you. I miss you so damn much. I miss being with you, I miss being near you. I miss your laugh. I miss your scent, I miss your musk. When this all gets sorted out, I think you and me should get an apartment together."

Ron Burgundy: "Don't you know I'd never say f**k? F**k!"

Champ Kind: "I will smash your face into a car windshield, and then take your mother, Dorothy Mantooth, out for a nice seafood dinner and never call her again!"

Brian Fantana: "Panda Watch. The mood is tense. I've been on some serious, serious reports but nothing quite like this. I tried to get an interview with him but they said no, you can't do that, he's a live bear, he will literally rip your face off."

Ron Burgundy: "I love scotch. Scotchy, scotch scotch. Here it goes down, down into my belly!"



"Wait until you see the matching slippers..."

"Tell Mr Abramovich his morning coffee is here"

WHAT A massively f**ked up world we honestly do live in. I've just been reading that there's a shampoo company in Turkey that is ludicrously using Adolf Hitler in the adverts for its brand-new range of men's shampoos. This is so, so wrong it's anti-Semitic, cold and, well, just in f**kin' poor taste! But more important than that, since when was Adolf f**kin' Hitler known for having great hair? Colonel Gaddafi, Osama bin Laden, Saddam Hussein these are all douchebag tyrants who had much better hair than Adolf Hitler. If they really want to put Adolf in an ad, maybe they should think about using him for something a little less controversial. Maybe something like Volkswagen, for example.

PORN STAR Megan Piper has been banned from going to the prom of an 18-year-old who tweeted porn chicks asking them to be his date. No law's been broken, and as she's 19, she can't drink, so no mischief should happen. America's so f**ked up you can go into porn but can't drink until you're 21. Many people have said if someone's old enough to go to war, they're old enough to enjoy a beer. "Alicia's been chewing her kid's food!"

THERE'S BEEN a bit of a stink kicked up in the States recently about the film chick Alicia Silverstone. Basically, a film clip came out on the internet showing her – how to put this? chewing up food and then feeding it to her nipper in the style of a mummy bird feeding her kids. Now, you really do have to mash food up for the youngsters and maybe she can't afford a food processor I can't remember seeing her in any films recently, to be fair, so it's not as crazy as it sounds. In fact, my mum used to do the same thing for me as a nipper. Although, to be honest, I f**kin' hated it. In Australia, you don't acquire a taste for neat vodka and chewing tobacco until you're at least 14.

Infected appendix leads to weeping wound!

FOR *NUTS* reader Gareth Paton, having his appendix removed after a pesky spot of appendicitis was supposed to be a routine procedure. But four days after being sliced open, something truly grisly started to happen to the 18-year-old's tummy.

"I noticed a small hole the size of a fingernail starting to appear in the stitching, then 24 hours later the whole thing had ripped open," recalls Gareth, a marine engineer cadet from Edinburgh. "The amount of pus it produced was disgusting there was enough to fill a Tesco bag! The pain felt like I was being stabbed."

Doctors told Gareth that gangrene had set in and was spreading, so he was given a large dose of antibiotics.

Two months on, Gareth's back on his feet again, albeit with a big scar. "I'd be lying if I said I didn't use my scar to impress girls," he says.

Just don't go using any "pus" anecdotes, eh, Gareth?

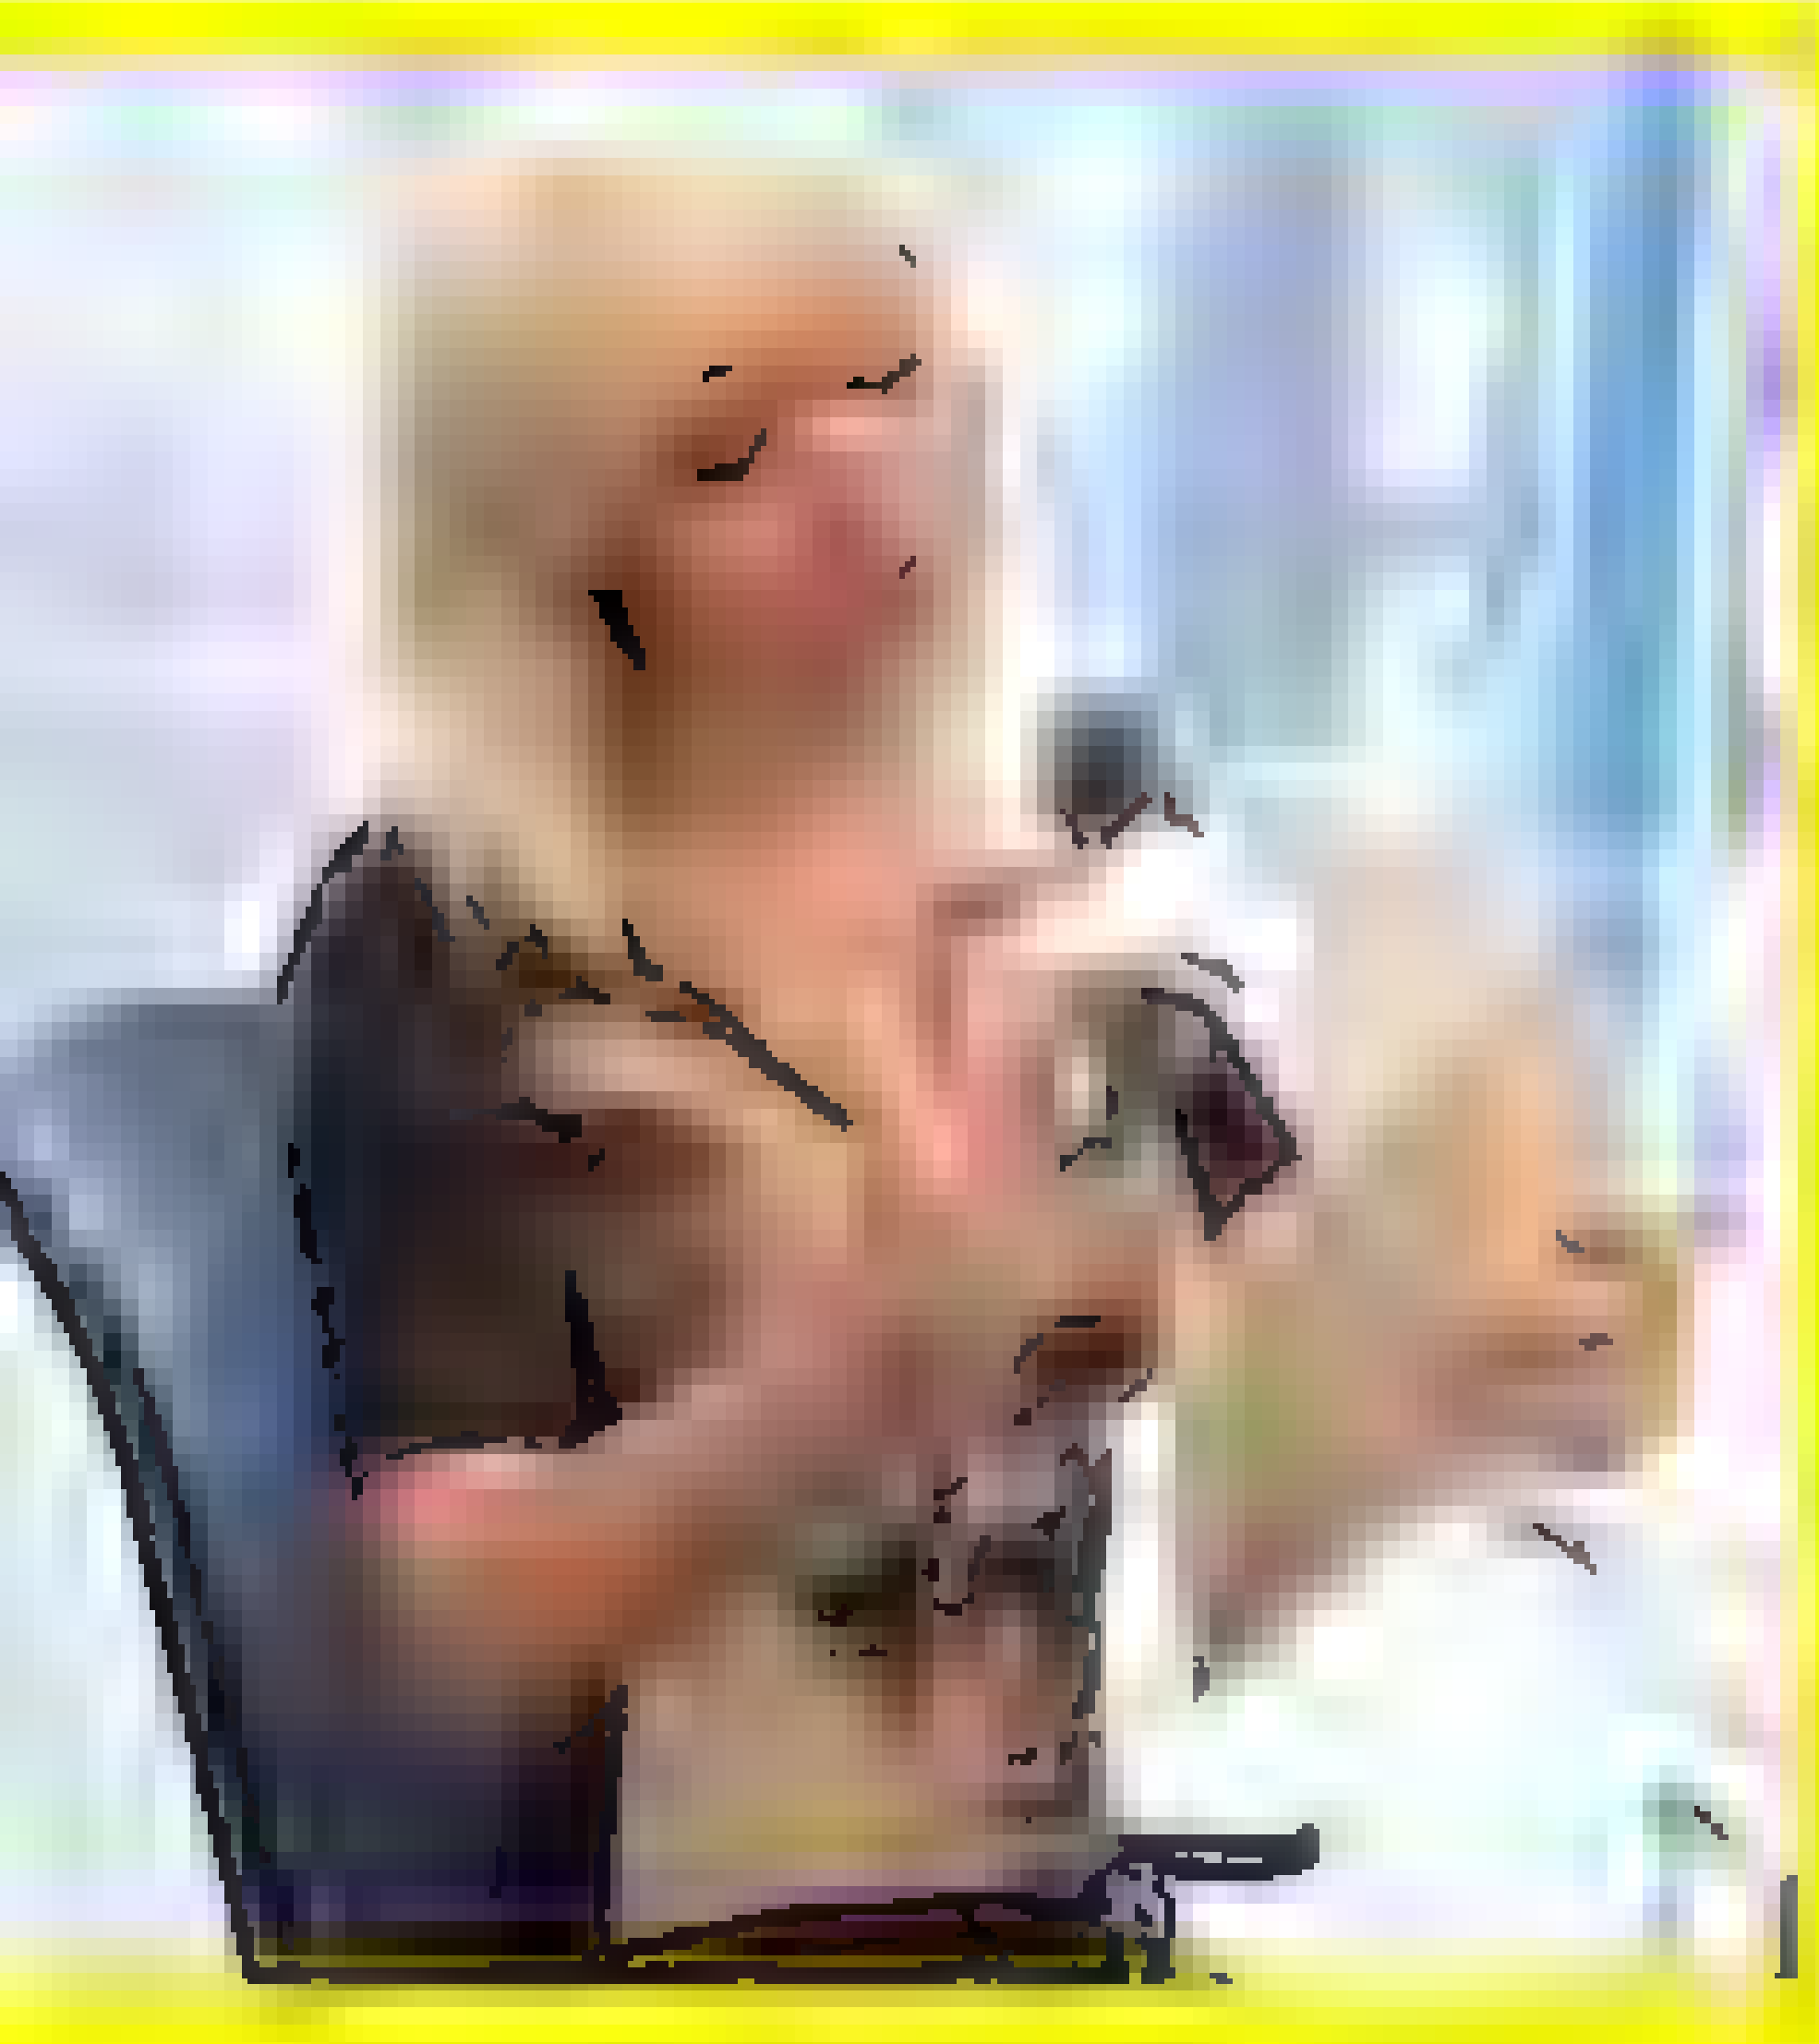
SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!



DANNI ORSI, 100% REAL LESBIAN!

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5

She just loves foreplay!

My missus loves foreplay so much that by the time it actually comes to getting down to business, I'm knackered. How can I speed things up?

JACKIE

It sounds as though your foreplay is rather energetic, or else maybe it's just that you're not fit enough. I wouldn't try to speed things up because foreplay's essential to getting some women aroused, though others will be kneeling in front of you the moment they get their kit off. It sounds as though your missus is firmly in the former category, so I think you should get yourself down to the gym and work out three or four times a week. If you do this, you'll be better able to engage in successful foreplay and bring matters to a head more quickly while also ensuring that your missus is properly warmed up.

I work away from home a lot and consequently don't get to spend as much time with my wife as I'd like. To help pass the time, I'd like to have some saucy snaps of her to look at but I'm worried she'll think I'm weird if I ask. How do you suggest I broach the subject?

HARRY

She might think you're weird and could even suspect you want to show them to your friends or put them on the internet. Anyway, why do you need pictures of her? The image of her naked body must always be in your mind. Just take a copy of *Nuts* on your trips instead.

What's the G-spot?

What's the best time to massage a lady's G-spot? Also, where is it? Actually, *what* is it?

JAY

Any time will do nicely! The G spot is a concentration of nerve endings in the wall of the vagina which, when stimulated, gives particularly intense pleasure to a woman. Its exact location is a secret but with practice, you'll find it. You'll need your penis to do the searching. Remember, practice makes perfect, boys!

Is my girlfriend normal?

I've got a new girlfriend and the sex is amazing. The only thing is, though, she squirts like a jet all over the place and I've never seen anything like it before. Is this normal?

LOUIE

The amount of vaginal fluid varies from woman to woman and also depends on her degree of stimulation, so you should be pleased. And don't forget to lick it all up!

A CHAP goes into a pub and orders a drink. While he's at the bar, he notices a very sad-looking bloke sitting alone next to him, nursing the remains of a pint.

"What's up, mate?" asks the first chap.

"This is my 18th and I'm all alone," says the bloke drinking on his own.

Feeling bad for the chap, the concerned punter immediately buys him another pint, which the loner instantly downs.

"Great," he hiccups. "That was my 19th and I've still got no friends!"

Arabella Drummond!

Nuts' resident tattooed beauty is back with a bang!

"People always think I'm a massive kinkster, but I'm quite sweet really!"

ARABELLA DRUMMOND

Hello Arabella! How's it going?
I've been travelling. I was in Dubai at the start of the year.

You like your ink. Have you had any new tattoos recently?
Not yet, but I'm waiting to get something new on my hand. I'm getting another girl I think she'll be a pirate.

Maybe you could do a pirate-themed shoot for us.
Someone talked to me about doing a sexy pirate shoot, but there was mention of a parrot so I couldn't possibly do it.

Why? Are you scared of birds?
I'm terrified of them. If you made me watch that Hitchcock film *The Birds*, I'd pass out.

What would your ideal *Nuts* shoot involve?
Something really girly. I always get asked to do all the kinky shoots because everyone thinks I'm a massive kinkster, but I'm quite sweet, really!

What's the best idea you've ever had?
I'm not telling you that! I've had a really amazing idea, but I'm going to get it patented and become a millionaire.

Do you get recognised much now you're a *Nuts* girl?
Yeah. A lot of girls recognise me. I was in Starbucks and I saw a girl whisper something to her mum about "Arabella". Next thing, the mum was taking a picture of me.

When was the last time you were starstruck?
I think it's weird when I meet girls like Lucy Pinder and Rhian Sugden. I used to see their pictures in magazines, now I party with them. Ha ha!

Thanks, Arabella! Finally, what are you looking forward to about the rest of the year?
I'm launching a men's clothing label this year, so I'm working on that.

Mr. MARK WATSON
Vs the *Nuts* Question Bucket!

Sell

The top comedy bloke on Peter Kay, cheese and *The Mad Bad Ad Show*!

Copy:

THE RULES are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

What's the most inappropriate telly ad you've ever seen?
We had one on *The Mad Bad Ad Show* from France, which featured a guy doing all sorts of things with his d*ck defusing a bomb, writing a novel and so on. It was a sexual health advert and the gist of it was "clever d*cks use condoms". It was actually a brilliant ad but I found it hard to believe they were allowed to do it. Also, I was in Australia recently and they have adverts for a popular cheese called Coon. It's struggled to find a foothold in the UK.

What's the most rubbish thing you've been asked to endorse?
I once auditioned for an ad and had to pretend to be toasting cheese. The entire audition was standing there for about 20 seconds, looking at an imaginary grill and trying to appear hungry. Then I went home. Didn't say any words. Didn't get the role.

What's the strangest thing a fan has ever said to you?
People say, "I didn't expect to like your stuff, but it was great," as if they're being generous. It feels a bit like someone saying, "I thought you were a kn*b, but I've revised my opinion."

What were you like at school?
I was the best at a couple of subjects but I had a nemesis called Tom who was the best at everything and always beat me in tests. We're still friends but we don't take as many tests together now.

It's the FA on the phone. They want to know if you can manage England, you start tomorrow. Can you?
Tomorrow's difficult because it's the mother-in-law's 60th and we're going on the London Eye. So, reluctantly, I'd have to turn it down. I'm frustrated this job offer has come on the one day I'm tied to a family affair. I'd love to be in the FA's thoughts in future.

Who's the most famous person you've stood beside at a urinal?
Al Gore [former US Vice President – *Nuts* Politics Ed]. I struggled to wee.

If another comedian stole one of your gags what would you do?
I'd send the boys round to steal several of their belongings, then send an email saying, "If you want to see your toaster again, stop doing my joke." But a lot of my gags derive from my personal life, so it'd be hard for someone to nick them. I'd be surprised if Peter Kay started a joke with, "So, you know when you're a kid in Bristol, in about 1984..."

When people take the p*ss out of you, what do you think?
I think a bit of p*ss-taking is healthy in most relationships. Obviously, if it gets to the stage where it's destroying someone's self-respect, you may have to think again.

Lots of comedians have a dark side. Do you?
Yes. I killed a man only yesterday. ✕

EXCLUSIVE!

It's Lucy Pinder!

And this time, you're asking her the questions!

YOU'VE ALWAYS told us how much you love our Lucy, so we thought we'd give you the chance to speak to her, and if our bulging mailbag and Facebook page are anything to go by, you've all got something to ask her. So, without further ado, take it away, *Nuts* readers...

Richard, Facebook, asks...
Which food do you dislike more than any other?
"I'm not that fussy when it comes to food, but I don't really like barbecued food. I'm borderline vegetarian. And I'd never have a doner kebab!"

Sky, Facebook, asks..
What did you want to do before you became a model?
"I didn't know. I was supposed to go to university to do English, with a vague idea of being a teacher, but never did."

Danny, Facebook, asks...
How can a chap impress a lady who's well out of his league?
"If you want to get with someone, you have to just be yourself. Just be confident."

Garry, Norwich, asks...
Who'll win the Premier League?
"Tough one but I think Man United have probably got it in the bag this year, Garry."

John, Facebook, asks...
If you could go for a drink with three people – dead, living or mythical – who would they be?
"Princes Harry and William, and Kate Middleton. It would be interesting to see what their bar chit-chat consisted of."

Dave, Birmingham, asks...
What's your fave telly show?
"I'm quite ashamed to admit that I get excited by *Made In Chelsea*. I just like how posh they are. It's funny."

Damo, London, asks...
What's your favourite tune?
"I like that Gotye song. I think it's called *Somebody That I Used To Know*. It's lush." ►

“I like *Made In Chelsea*. I love how posh they are!”

Burnsy, Glasgow, asks...
Where's the weirdest place you've been naked?
"Well, Burnsy, because of my job there are quite a few places, like on a ski slope!"

Ian, Felixstowe, asks...
When was the last time you lied to someone?
"Do you know, I can't think. I'm sure I've done it to preserve people's feelings."

Justin, Facebook, asks...
If you were a motorbike, what type would you be?
"What's the fastest? A Ducati? I'd be whatever the fastest one in the TT race was!"

Paul, Bradford, asks...
Do you believe in aliens?
"I do believe there are living things on other planets, but I don't think they resemble humans. I think they're more likely to be organisms."

Sam, Facebook, asks...
What are your thoughts on Dappy without N-Dubz?
"Sam, I can honestly say I've no thoughts on Dappy or N-Dubz. Well done to him, but I'm not down with his music."

Scott, Facebook, asks...
Will you ever act full-time?
"I doubt it. Ha-ha!"

Dave, Facebook, asks...
Will you help me raise money for a cat charity?
"Yes, I don't give to human charities, but I'll give to animal charities – especially Cats Protection. Send your details in, Dave!"

Freddie, Facebook, asks...
Can you talk Sophie Howard out of retirement?
"I think *Nuts* readers are more likely to be able to talk her out of retirement. Get writing in!"

Marc, Southampton, asks...
When was the last time you went to St Mary's?
"Oh dear, Marc, I haven't been for ages. They're doing really well though – I definitely think we'll get promoted." ►

"I think Southampton are going to be promoted!

"I drive a black Audi TT – it's the best car I've owned!"

Denny, Plymouth, asks...
Are you a gamer? If so, what's your favourite game?
"I'm not, you know. I'm totally lost when people talk gaming."

Sammy, Bolton, asks...
When will you be on TV again?
"Simple answer: I don't know!"

Jason, Belfast asks...
Have you ever been to Belfast and if so did you enjoy it?
"I've been to Northern Ireland. It was very pretty, yes!"

Jamie, Preston, asks...
Which celebrity do you dislike the most?
"Too many to get me started!"

Donnie, Cardiff, asks...
If you were down to your last £5 what would you do with it?
"I'd buy food. I'd buy lots of breakfast-type ingredients. I could live on cereal."

Declan, Dudley, asks...
What car do you drive? What's the best car you've owned?
"I drive a black Audi TT, and it's the best car I've owned."

Baz, Bournemouth, asks...
Who's the best new up-and-coming glamour model?
"There are loads so I can't choose. There are lots of very nice ones."

Del, Huddersfield, asks...
Have you had a threesome?
"No. I think sex should be between two people."

Nick, Portsmouth, asks...
You're famously a Conservative. Is it true you're not happy with the job David Cameron's doing?
"Yes, I'm not happy with the way things are going. I can't work out who's making what decisions. A lot of it's to do with the coalition."

John, Northampton, asks...
Are you a multi-millionaire?
"Am I what? No! I wish."

Brian, Glasgow, asks...
How big is your TV?
"It's about 40 inches. That's pretty standard, right?"

“I got boob envy looking at a Bedroom Babe!”

Micky, Essex, asks...
When was the last time you had boob envy?
"I got really bad boob envy looking through a recent *Nuts* Bedroom Babes feature. The girl had perfect boobies. They were small, round and lovely."

Ernie, Leicester, asks...
What's the rudest thing you've ever seen?
"A friend of mine showed me a documentary about people who have sex with donkeys in Colombia. It was disturbing."

Tim, London, asks...
What's your favourite piece of underwear?
"Just a black thong because they're comfy."

Benny, Sheffield, asks...
What's the biggest dog you've ever seen?
"My friend's Great Dane is absolutely massive!

Steve, Nottingham, asks...
Have you ever kissed a girl?
"Yes. Um, I didn't like it as much as kissing a boy, though I didn't get stubble rash."

Mario, Newport, asks...
What's the most extravagant thing you've ever bought?
"I think the most unjustifiably extravagant purchase was a Chanel handbag. I'm not telling you how much it was!"

Ant, Crewe, asks...
Have you ever modelled with anyone with boobs bigger than yours?
"Yes. Quite a few people have bigger boobs than me."

David, Newcastle, asks...
Who should be the next England manager?
"I think it's going to be Harry Redknapp. I kind of think that it shouldn't be someone I like, because you just know they're going to get loads of sh*t!"

Hugh, Gillingham, asks...
What's your favourite sexual position?
"I don't have any one favourite, Hugh!"

House

SKY1/HD • 10pm

The team treat an ice-hockey player after the unfortunate puck-botherer begins coughing up blood after an on-ice fight. Meanwhile, Chase offers to help out Park, while grumbly medic House drops a bombshell on Wilson. And speaking of bombshells – there are only half a dozen episodes of the ace series left. No

Derek

CHANNEL 4 • 10pm

On paper, this new project from Ricky Gervais (who also stars in it as kind-hearted oddball Derek) seems like another "look how funny I am" affair, but it's a bit different from his usual fodder. A one-off comedy drama, it's set in an old folks' home and also stars Karl Pilkington playing a bemused northerner. Er.

The makers of the original *Dragon Tattoo* films deliver another twisty big-screen adaptation. Jo Nesbo's potboiler follows a recruitment guru who moonlights as an art thief and fraudster. CONFESSION OF THE WEEK!

'I took him in the garage'

MY MAN and I were cleaning out our garage recently and after a while, I fetched us some beers. He cheekily held the cold bottle against my boobs. I pulled aside my vest and gave him a quick flash, then he grabbed me by the waist and kissed me full on the lips, his hands fondling my boobs. We had the doors wide open so anyone could see what we were up to. He sat down on an old stool and I straddled him and we were soon going for it. I heard a lawnmower start up next door and giggled at the thought of anyone catching us!

Clara Winchester

'My nipples went hard'

I MET up with some old friends at a school reunion a few weeks ago. One girl and I got chatting about how we used to have cheeky snogs in the loo and the gym hall. The memory made us both blush a little but she had a glint in her eye and appeared to be flirting with me. After all the others left she invited me back to hers for a drink. I knew what would happen and I was really turned on. As soon as we got through her front door, she kissed me and her hands began squeezing my boobs. My nipples went instantly hard and I was already really wet. She pulled me into her lounge and pushed me gently back onto the sofa, a cheeky smile on her face. It wasn't long before she was going down on me and I had the loudest orgasm ever!

May Birmingham

'My saucy sauna visit'

I NORMALLY go the gym at lunchtime and it's always really packed. My boss was at a conference one afternoon so I took a late lunch and nipped down there at about 3pm. It was so quiet, I wished I could go at the same time every day. There's a sauna in the ladies changing room and I slipped inside for some relaxation. My body was dripping with sweat after a few minutes and I felt really relaxed – and a little bit horny! I let one hand wander downstairs while the other squeezed my nipples hard. I was wet within seconds of slipping my fingers inside and it wasn't long before I had a shuddering orgasm – just as another woman walked into the hot room! I was so embarrassed, I jumped up and was out of the door before she'd even sat down. Later I kept grinning to myself at my desk and the afternoon flew by in a satisfied whirl.

Jenny St Albans

'I unzipped his jeans'

MY MAN and I had been out for a friend's birthday and were taking a taxi back to his place. We started kissing in the back and he whispered that he couldn't wait to get me home. He slid his hand up my skirt and started rubbing me. I was turned on and could see his bulge growing. I moved my legs further apart and he pulled my panties to one side and slipped a finger inside me. The taxi driver had no idea what was going on as I unzipped my boyfriend's jeans and stroked his bulge. His fingers moved faster inside me while the palm of his hand was rubbing on my clit. I knew I was about to come and had to bury my head in his shoulder to avoid screaming out loud. I came just as we pulled up!

10 RUDE QUESTIONS!

And a real girl to answer them!

× × ×

Danni

| Wales

1 Where's the strangest place you've had sex?
"The strangest place was probably on a beach in Mexico. After a few too many cocktails, sex on the beach seemed like the only way to end the night!"

2 What's your trademark move in the bedroom?
"My trademark move is being playful and really teasing a guy to get him going. I like lots of dirty talk, kissing his neck and nibbling his lips."

3 What really turns you on in bed?
"I love really smart, clean looking guys who wear nice clothes and smell irresistible. Yum-yum!"

4 What's your favourite position?
"I love the missionary position. I love to see the man's body on top and in total control."

5 Is it better to give or to receive?
"That's a tough one. It depends on how good he is, I guess, but I'd probably say to give. The more he enjoys it, the more he'll want to come back!"

6 What one thing would you really like to try but haven't yet?
"I've never had a threesome with a guy and another girl, so that's one of the things that's definitely on my to-do list. I think it's one of those things you have to try just to see if you like it or not."

7 Have you ever got it on with another girl?
"Yes, I've had a few cheeky kisses before, but usually drunken dares. Me and the girls love to be a tease because it really gets the boys going."

8 What would be your role-playing costume of choice?
"I don't really have a costume choice but I usually wear a really nice corset, suspenders and stockings. Also, really high shoes make me feel very sexy."

9 Have you ever made a sex tape?
"Yes. It's such a turn-on making a sex tape."

10 What's the single rudest thing you've ever done?
"That would be revealing all my dirty secrets. I'm not a kiss and tell girl!"

EXCLUSIVE!

McIlroy: 'I want revenge at Augusta!'

The golfer on how choking at last year's Masters has motivated him to win!

Hi Rory! How confident are you heading into this year's US Masters?
I'm great, thanks! This should be one of the most exciting tournaments ever. I'm looking forward to it, without putting too much pressure on myself.

Do you have a point to prove after the trauma of last year?
No. I know I can play and compete at the highest level. But yeah, what happened was embarrassing and I admit to feeling bruised and upset. However, I knew I had to pick myself up and get on with things. I learnt a lot from the experience.

What did you learn from throwing away that massive lead on the last day?
Not to do it again! Seriously, I could've let it get to me and poison the rest of my season. In fact, I won the next Major [the US Open], which showed where my head was at. A lot of that was down to the good people around me and also to my upbringing. I don't get carried away with success or failure. At the end of the day, it really is only a game!

What exactly went wrong?
I just had the wrong mind-set. Instead of setting a target score, I ended up just trying to stay ahead of the field. When you're worrying about everyone else, you end up neglecting the things that matter about yourself. Golf can do that to you, you know. More than half the game is played in the head.

Did you choke?
It's a rough word, but, yeah, I did. I won't lie to you, the pressure got to me. That's why going on to win the US Open was important because it showed the real me. I used the Masters as motivation and it'll be the same here. I owe the tournament one, if you like. You can call it revenge, I guess!

You're going out with tennis superstar Caroline Wozniacki. How does it feel to be the new Posh and Becks?
Ha ha! It's nothing like that! It's great to be with someone who's ambitious and knows what it takes to play at the highest level. Caroline's been a breath of fresh air for me. We're just a normal couple who happen to do extraordinary jobs. As for being in the spotlight, you're either the sort of person who enjoys it or someone who wilts. I'm not the wilting kind!

What will it take for you to win the Masters?
This'll sound rubbish but I just need to be me. If I let my natural performance come through, I'll be fine. I play my best when I'm positive in my game and also in my body language. It's not about strutting around the course as if you own the place, it's more about portraying what you feel inside, on the outside.

Thanks for the chat, Rory. Finally, any predictions?
It'll be one hell of a tournament with some fantastic golfers, so I'm up against it, but I'm hugely positive I can do well. There won't be any hangover from last year. No chance!

Let the mind games begin!

Man City should think twice before taking on Fergie!

I SEE the end-of-season mind games have already begun between Man United and Man City. It all started with City's Patrick Vieira accusing the Red Devils of being desperate after bringing back Paul Scholes, and continued last week with Fergie taking a swipe at the Frenchman, calling for an FA charge after Vieira commented on referees favouring big teams.

If I was Roberto Mancini, I'd be telling Vieira just to keep his big mouth shut. Don't get drawn into arguments with Fergie – as we've seen before, there's usually only one winner. All this will do is increase the pressure on Man City.

It may already be too late, though – everything that comes out of City now will be ramped up by the press and turned into a direct challenge to United.

It's the last thing the Blues need. They have to concentrate on winning matches. Too much talking will lead to United picking up their 20th league title.

Will Rodgers swap Swans for Spurs?

THERE'S BEEN speculation surrounding the future of Swansea manager Brendan Rodgers. The papers have linked the Northern Irishman to Spurs if Harry Redknapp becomes England boss.

It would be a huge coup for Spurs if they could tempt the Swans man – he's a fantastic boss and someone who could improve on Harry's good work.

There's no doubt Rodgers is set for big things, but I know he's happy at Swansea. I think he regrets leaving Watford for Reading in 2009 and I'm sure that will be on his mind if another team comes calling. One thing's for sure, he won't be short of admirers.

He just loved pretending to be a cricket umpire

KAMMY'S UNBELIEVABLE-OMETER™

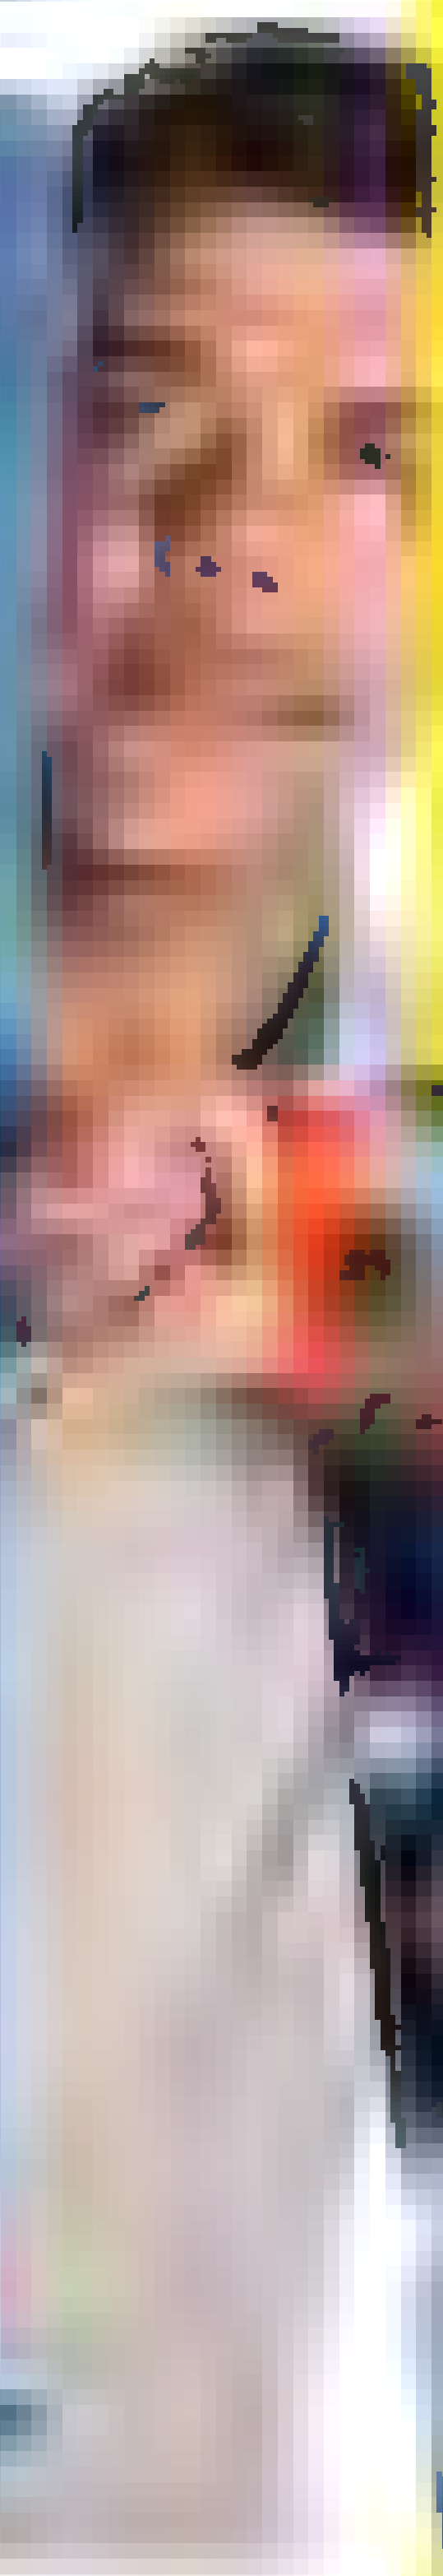
UNBELIEVABLY GOOD!

[illegible]

UNBELIEVABLY BAD!

BRAWLING BRADFORD!

Five players were sent off during a mass brawl after Crawley's 2-1 win at Bradford. Those League Two boys are tough as old boots!



"Congratulations – the bib-folding job's yours!"
"Hmm, you really do wear lovely aftershave!"

Super Mario does it again!

MARIO BALOTELLI was at it again last week, crashing Inter Milan boss Andrea Stramaccioni's first press conference! I think the Italian's great fun but his form has suffered of late. When Carlos Tevez disappeared back to Argentina, Mario was outstanding, but since Tevez's return, he hasn't been the same. Coincidence? Or do the two not get on? Either way, Man City need Mario back to his best for the title run in.

THE BIG MATCH!

"Ha-ha, stop it You know I'm ticklish there!"

Sunderland vs Tottenham

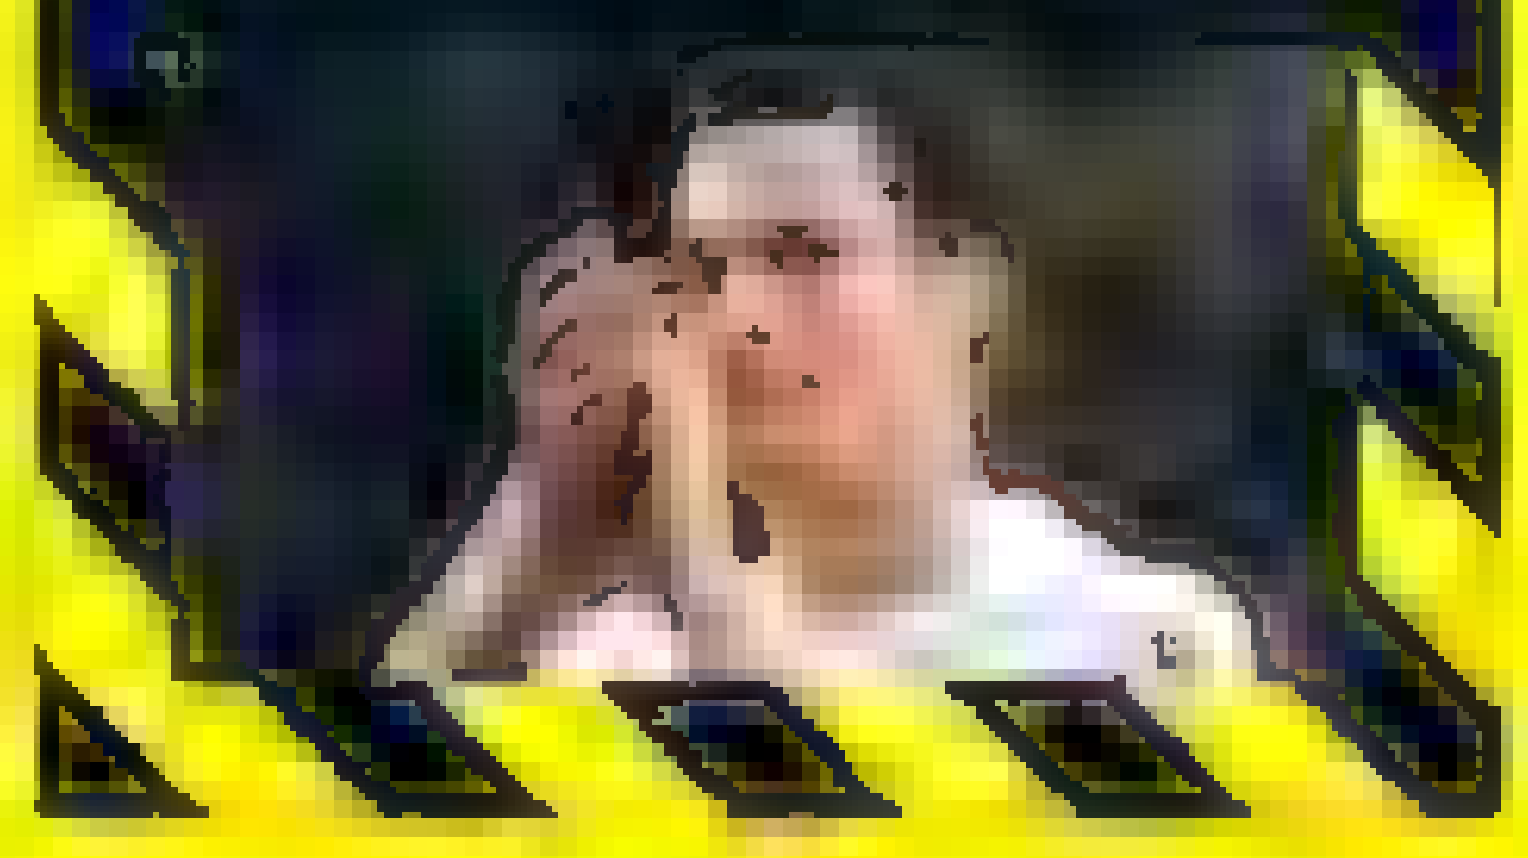
7 APR, 12.45PM • Sky Sp2

Martin O'Neill's Sunderland have struggled a little of late and will be disappointed to have been knocked out of the FA Cup by Everton last week. Tottenham are fighting for fourth place and desperately need all three points. I think Harry Redknapp's boys will just nick a win

KAMMY'S PREDICTION: 1-2

Key man

Scott Parker will have to be on top form to deal with the Black Cats' combative midfield. The England captain has been superb this season.



ME AND KAMMY CORNER!

"I met Kammy after the Cheltenham races!"

SHON MORGANS

Arsenal vs Man City!

Nuts legend Paul Merson's big-game match-up!

TITLE CHASERS Man City travel to Arsenal this weekend, needing a win to keep up the pressure on Man United. But who will come out top at the Emirates? To find out, we spoke to ex-Gunners star Paul Merson!

Arsenal vs Man City, Sky Sports 1 HD, Sunday 8 April, 4pm

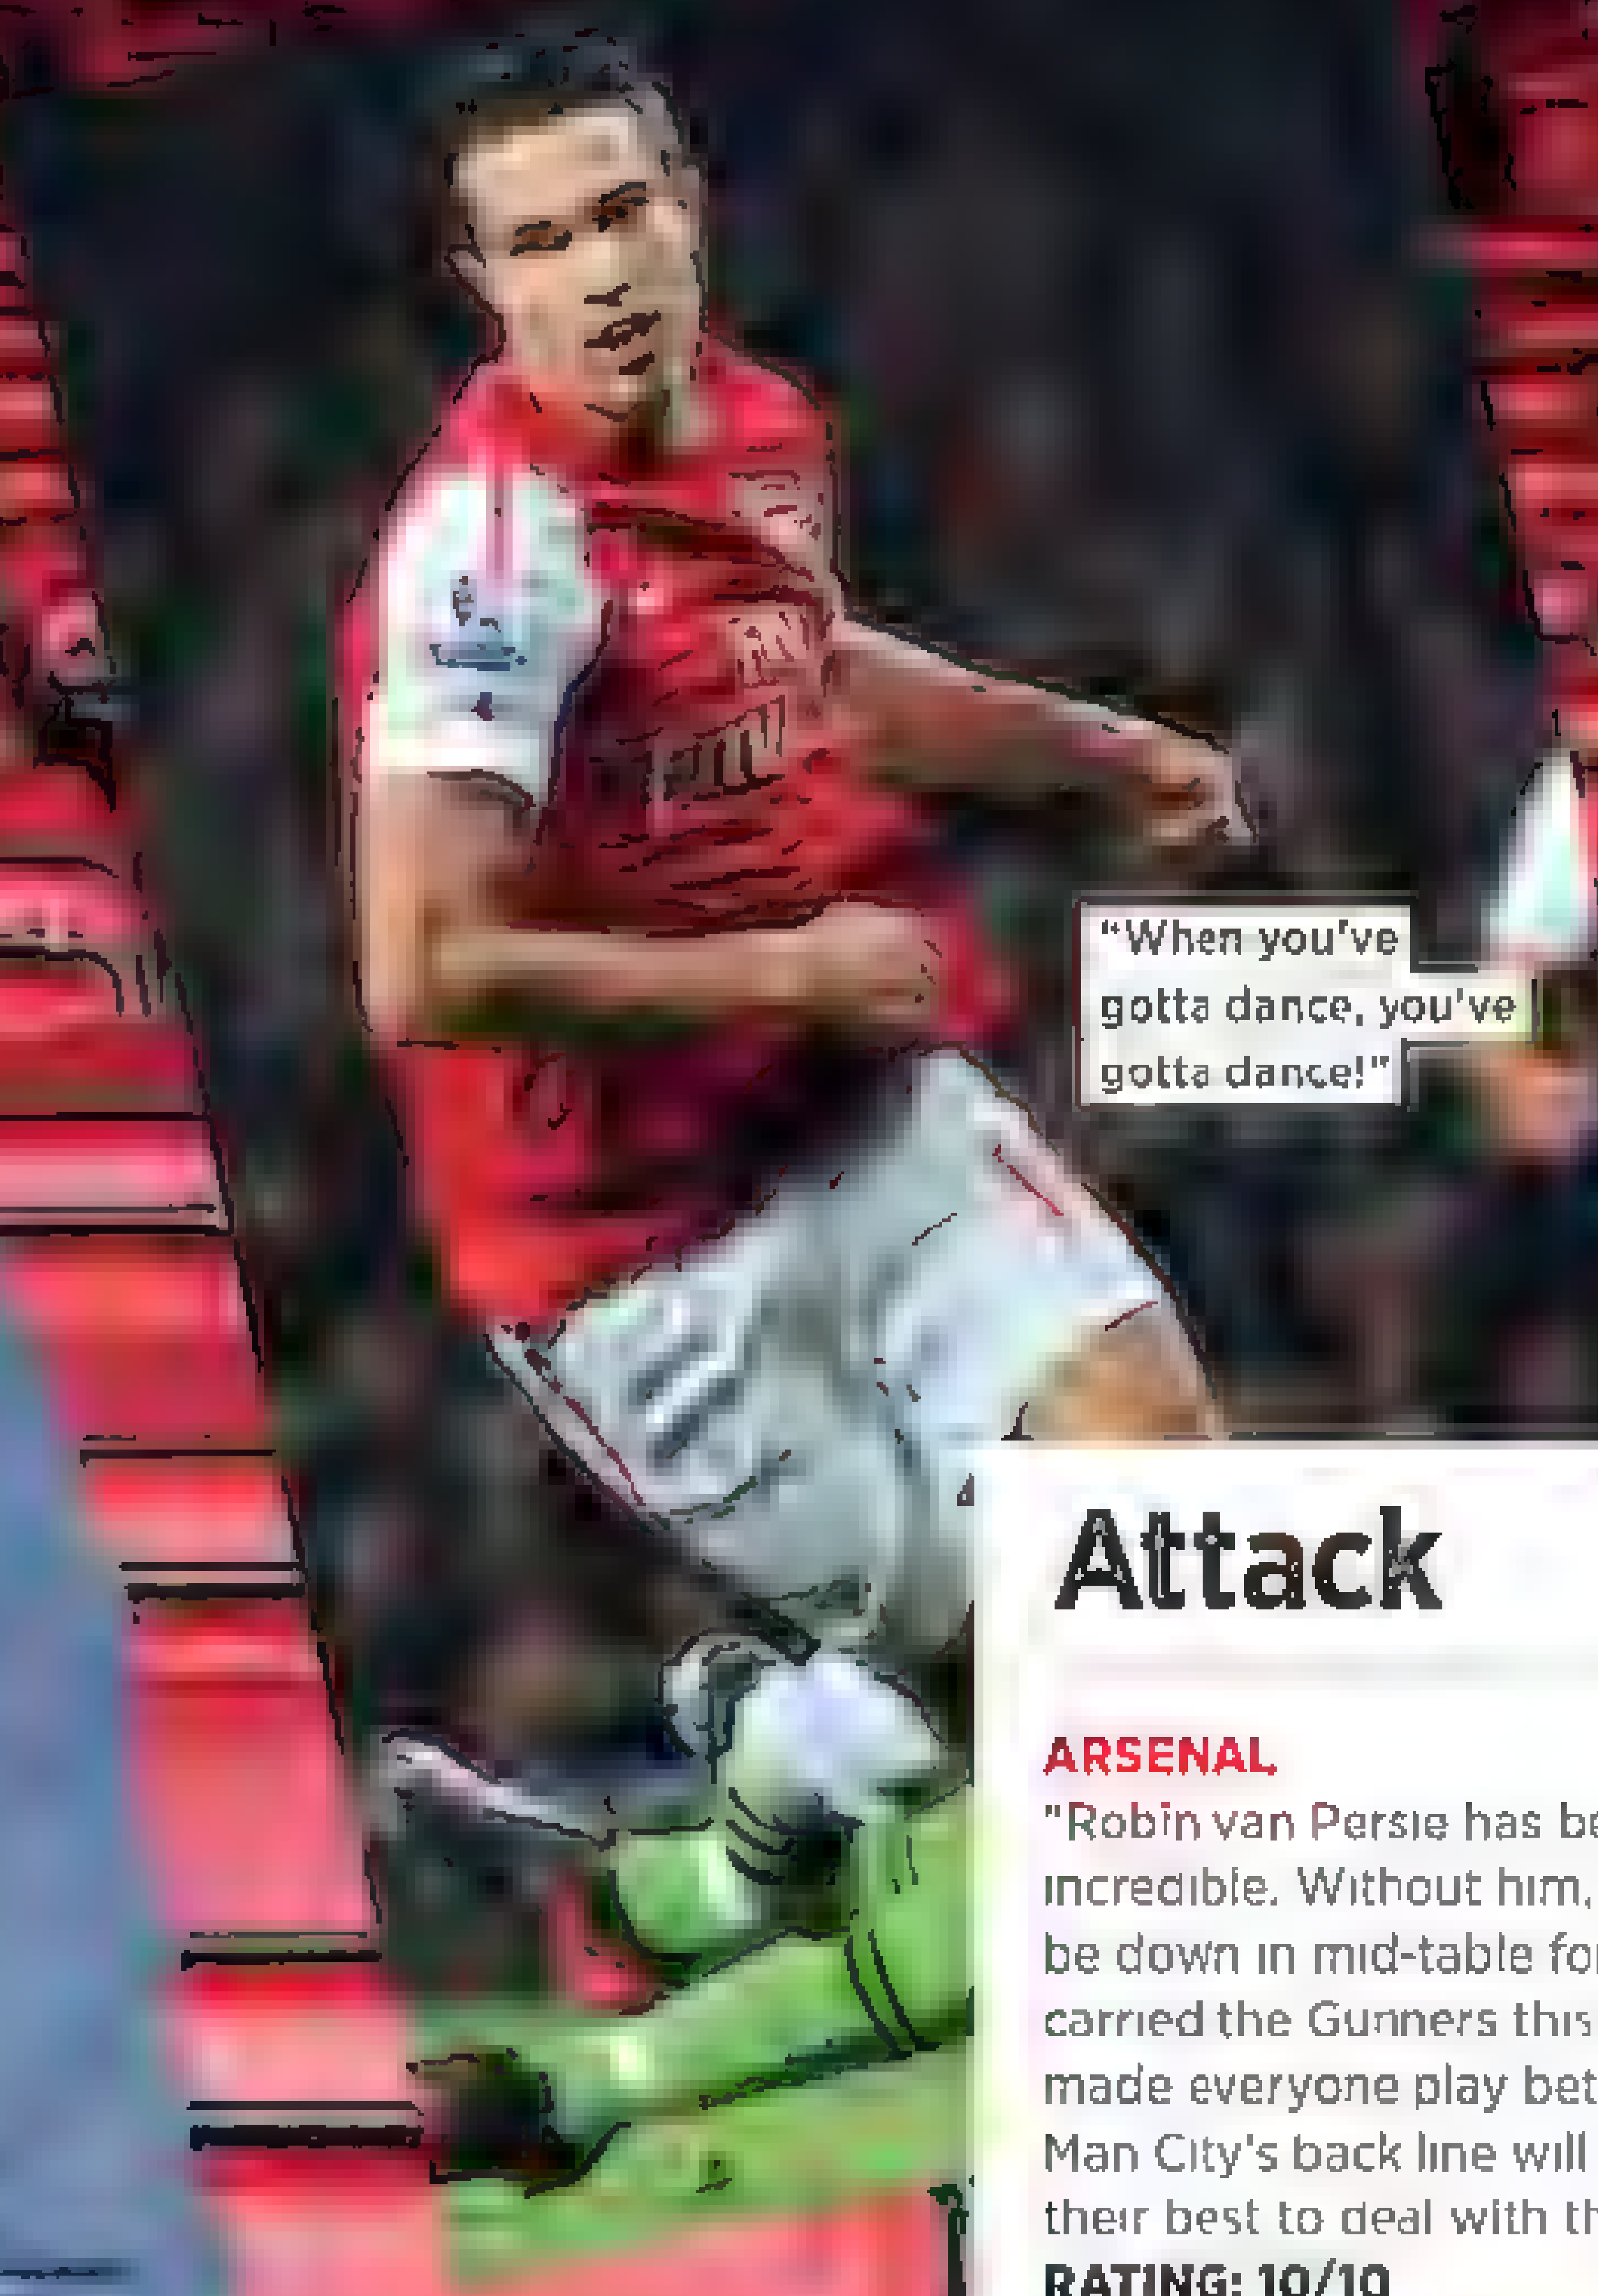
"Whoa! What's that funny yellow thing!"
"Hang on – this pitch has a bit of a slope on it!"

"Hmm, small crowd. What? The match is tomorrow?"

Midfield

ARSENAL
"I expect Arsene Wenger to play five in midfield, changing to a 4-3-3 when the Gunners attack. Theo Walcott and Alex Oxlade-Chamberlain will push forward to support Robin van Persie while Song, Rosicky and Arteta will sit in the middle of the park and dictate the tempo."
RATING: 8.5/10

MAN CITY
"The trouble for City is they've got too many options. I don't even think Roberto Mancini knows what his best starting line-up looks like. Yaya Toure and Samir Nasri are definite starters for me but David Silva looks like he's hit a brick wall recently. He's absolutely knackered!"
RATING: 8/10



"When you've gotta dance, you've gotta dance!"

"Hmm, not sure about these shoulder pads"

Attack

ARSENAL
"Robin van Persie has been absolutely incredible. Without him, Arsenal would be down in mid-table for sure. He's carried the Gunners this season and made everyone play better around him Man City's back line will have to be at their best to deal with the Dutchman.'
RATING: 10/10

MAN CITY
"It's a no-brainer for City – they must start with Tevez and Aguero up front. If Tevez had been playing for the last three months, City would have been miles clear at the top of the table. Teams hate playing against him and he's an amazing goal-scorer to be able to call upon "
RATING: 9/10

"Leave me alone, you lot – I'm doing a jig here!"

"Ah, ah, ah... choo!"

Defence

ARSENAL
"The Gunners are finally starting to discover some defensive consistency, having been all over the place earlier in the season. Getting Bacary Sagna back from injury is a massive plus, while Thomas Vermaelen is a great centre-half who carries a serious goal threat."
RATING: 7/10

MAN CITY
"City's problems aren't in defence Vincent Kompany should be back in time for the match at the Emirates and in Joe Hart, the Blues have the best goalkeeper in world football. Micah Richards has also had an outstanding season in the right-back position."
RATING: 8.5/10

Verdict!

"The momentum is with Arsenal and Man City seem to be missing something at the moment. One thing's certain – City must attack Arsenal from the off as a draw's no good to them. This match could be massive in terms of the title race. City's title challenge could come off the rails at the Emirates."
MERSE'S PREDICTION: 2-1
